The Autocrat Of The Breakfast Table:

The Autocrat of the Breakfast-table Oliver Wendell Holmes, 1889 The book is written in the form of a dialogue between the author and members of a New England boarding house The topics discussed range from an essay on the unexpected benefits of old age to the finest place to site a dwelling

The Autocrat at the Breakfast Table Oliver Wendell Holmes, 2005-11-01 You may set it down as a truth which admits of few exceptions that those who ask your opinion really want your praise and will be contented with nothing else from The Autocrat of the Breakfast Table A superb example of a literary form that has long since fallen into disuse this seriocomic one sided conversation with the dictatorial autocrat was originally published in segments in the Atlantic Monthly magazine in 1857 and 1858 The unnamed speaker offers an entertainingly rambling series of observations on everything from the odd things that children believe to the unexpected benefits of old age from the divide between the creative and the scholarly to a recommendation for drinking as a vice An insightful and frequently hilarious discourse on American civic life this is a forgotten classic of playful liberal intellectualism OLIVER WENDELL HOLMES 1809 1894 was born in Cambridge Massachusetts and educated at Harvard Though he trained as a physician he is best known for his verse and was one of the most beloved poets of the 19th century A regular contributor to the Atlantic Monthly he also wrote novels After his death his son Oliver Wendell Holmes Jr was appointed to the U S Supreme Court

Autocrat of the Breakfast Table Oliver Wendell Holmes, 2014-03 The interruption referred to in the first sentence of the first of these papers was just a quarter of a century in duration Two articles entitled *The Autocrat of the Breakfast Table* will be found in the *New England Magazine* formerly published in Boston by J T and E Buckingham The date of the first of these articles is November 1831 and that of the second February 1832 When *The Atlantic Monthly* was begun twenty five years afterwards and the author was asked to write for it the recollection of these crude products of his uncombed literary boyhood suggested the thought that it would be a curious experiment to shake the same bough again and see if the ripe fruit were better or worse than the early windfalls So began this series of papers which naturally brings those earlier attempts to my own notice and that of some few friends who were idle enough to read them at the time of their publication The man is father to the boy that was and I am my own son as it seems to me in those papers of the *New England Magazine* If I find it hard to pardon the boy's faults others would find it harder They will not therefore be reprinted here nor as I hope anywhere
