

The Avenue, Clayton City

C. ERIC LINCOLN

The Avenue, Clayton City

a novel by
C. Eric Lincoln

- Every resource in Clayton City is focused on maintaining the status quo.
- Life in Clayton City can be a meaningless charade—unless one makes the courageous decision to escape.
- A brilliant first novel destined for front-page reviews and to be a best seller.
- Early praise by Alex Haley:
"Ain't nothing wrong with this manuscript except that you wrote it instead of me."
- Alternate selection of the Literary Guild

When C. Eric Lincoln finished this novel, on which he had been working for almost thirty years, he sent it to his friend Alex Haley, the author of *Roots*, asking that Alex read the manuscript and make suggestions. Haley wrote back to say: "C. Eric, you can write your ass off! Ain't nothing wrong with this manuscript except that you wrote it instead of me. It's got to put Purple off the screen!"

The Avenue, Clayton City is the biography of a mythical avenue in a mythical southern town just before the outbreak of World War II. Although Clayton City is prototypical of southern towns, it is a vibrant, living entity with a personality of its own. Its characters are real. Their roles, conversations, and behavior are realistic; their actions as related are all culturally true to the time and place. It is from this reality that *The Avenue, Clayton City* derives its credibility. Powerful, being, amusing, tragic, this brilliant novel touches the reader's soul.

C. Eric Lincoln is professor of religion and culture at Duke University. He is the author or editor of nineteen books, including such highly acclaimed works as *The Black Muslims in America*; *My Face is Black*; *Sounds of the Struggle* (Morrow, 1967); *The Negro Pilgrimage in America*; *Is Anybody Listening?*; *Martin Luther King, Jr.: A Profile*; and *Race, Religion, and the Continuing American Dilemma*. He lives in Hillsboro, North Carolina.

The Avenue Clayton City

Cincinnati (Ohio)

The Avenue Clayton City:

The Avenue, Clayton City Charles Eric Lincoln, 1988 Originally published in 1988 Lincoln's novel creates with deft skill the drama that rises from the lives of the people of Clayton City a prototypical Southern town languishing between the two world wars One of the best written and most gripping accounts of the African American experience that I have encountered in years Henry Louis Gates Jr
