G. Young, 2000-04 Thirty five years in the making and destined to be the last word in fantasy film references This incredible 1 017 page resource provides vital credits on over 9 000 films 1896 1999 of horror fantasy mystery science fiction heavy melodrama and film noir Comprehensive cast lists include directors writers cinematographers and composers Also includes plot synopses critiques re title translation information running times photographs and several cross referenced indexes by artist year song etc Paperback [Sex, Sadism, Spain, and Cinema](#) Nicholas G. Schlegel, 2015-06-11 From 1968 to 1977 Spain experienced a boom in horror movie production under a restrictive economic system established by the country's dictator Francisco Franco Despite hindrance from the Catholic Church and Spanish government which rigidly controlled motion picture content hundreds of horror films were produced during this ten year period This statistic is even more remarkable when compared with the output of studios and production companies in the United States and elsewhere at the same time What accounts for the staggering number of films and what does it say about Spain during this period In *Sex Sadism Spain and Cinema* The Spanish Horror Film Nicholas G Schlegel looks at movies produced distributed and exhibited under the crumbling dictatorship of General Franco The production and content of these films the author suggests can lead to a better understanding of the political social and cultural conditions during a contentious period in Spain's history The

author addresses the complex factors that led to the official sanctioning of horror films which had previously been banned and how they differed from other popular genres that were approved and subsidized by the government In addition to discussing the financing and exhibiting of these productions the author examines the tropes conventions iconography and thematic treatments of the films Schlegel also analyzes how these movies were received by audiences and critics both in Spain and abroad Finally he looks at the circumstances that led to the rapid decline of such films in the late 1970s and early 1980s By examining how horror movies thrived in Spain during this decade this book addresses a sorely neglected gap in film scholarship and also complements existing literature on Spanish national cinema Sex Sadism Spain and Cinema will appeal to fans of horror films as well as scholars of film history European history genre studies and cultural studies

Gothic Mash-Ups Natalie Neill, 2022-03-14 *Gothic Mash Ups* explores the role of intertextuality in Gothic storytelling through the analysis of texts from diverse periods and media Drawing on recent scholarship on Gothic remix and adaptation the contributors examine crossover fictions multi source film and comic book adaptations neo Victorian pastiches performance magic monster mashes and intertextual Gothic works of various kinds Their chapters investigate many critical issues related to Gothic mash up including authorship originality intellectual property fandom commercialization and canonicity Although varied in approach the chapters all explore how Gothic storytellers make new stories out of older ones relying on a mix of appropriation and innovation Covering many examples of mash up from nineteenth century Gothic novels to twenty first century video games and interactive fiction this collection builds from the premise that the Gothic is a fundamentally hybrid genre

Transnational Horror Across Visual Media Dana Och, Kirsten Strayer, 2013-10-15 This volume investigates the horror genre across national boundaries including locations such as Africa Turkey and post Soviet Russia and different media forms illustrating the ways that horror can be theorized through the circulation reception and production of transnational media texts Perhaps more than any other genre horror is characterized by its ability to be simultaneously aware of the local while able to permeate national boundaries to function on both regional and international registers The essays here explore political models and allegories questions of cult or subcultural media and their distribution practices the relationship between regional or cultural networks and the legibility of international horror iconography across distinct media The book underscores how a discussion of contemporary international horror is not only about genre but about how genre can inform theories of visual cultures and the increasing permeability of their borders

Mexploitation Cinema Doyle Greene, 2015-01-28 Thanks in large part to an exploitation film producer and distributor named K Gordon Murray a unique collection of horror films from Mexico began to appear on American late night television and drive in screens in the 1960s Ranging from monster movies clearly owing to the heyday of Universal Studios to the lucha libre horror films featuring El Santo and the Wrestling Women these low budget Mexploitation films offer plenty of campy fun and still inspire cult devotion yet they also reward close study in surprising ways This work places Mexploitation films in their historical and cultural

context and provides close textual readings of a representative sample showing how they can be seen as important documents in the cultural debate over Mexico's past, present and future. Stills accompany the text and a selected filmography and bibliography complete the volume.
