## **The Aztec Empire Cultures Of The Past:**

The Ancient Culture of the Aztec Empire Jim Hollingsworth,2021-04-13 Aztec Culture It was a culture like no other in North America Where other tribes were nomadic the Aztec built cities of thousands and suburbs with a large agriculture They had beautiful gardens with plants from all over their world Mexico was a city like no other paved streets stone buildings and large pyramids with temples on top It had a zoo and an aviary with many birds It had tanks with both fresh and saltwater for fish But it had no wagons and no beasts of burden Montezuma had subjected most all of the towns around many with several thousand Indians In the end this proved to be his undoing as these tribes after losing in battle quickly made league with the Spanish conquerors Yet for all their science their religion was totally barbaric They believed their god a white man would one day return which left them open to the Spanish conqueror Then they offered human sacrifices and even cannibalism a horrible practice They were a proud people in the end refusing to give up until many were dead from starvation The most advanced civilization in North America ultimately fell to the sword of the Spanish and the Conquest

**A Brief Overview of the Aztec Empire | Ancient American Civilizations Grade 4 | Children's Ancient History** Baby Professor,2020-12-31 What was Aztec culture like Use this book to examine the features of the Aztec empire particularly its aqueducts art architecture and society Where did they live and what was their way of life like How successful were the Aztecs in building and expanding their empire Read all about the Aztecs in this book for fourth graders **The History and Culture of the Aztec** Charles River Editors,2025-05-04 From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more The World s Greatest Civilizations The History and Culture of the Aztecs looks at this whole story in an attempt to portray the Aztecs as they actually were Along with pictures of Aztec art and ruins this book describes the Aztecs lives religion art cities and empire in an attempt to better understand the once dominant civilization The Aztec World Field Museum of Natural History,2008-10 The Aztec

World is an illustrated survey of the Aztecs based on insightful research by a team of international experts from the United States and Mexico In addition to traditional subjects like cosmology religion human sacrifice and political history this book covers such contemporary concerns as the environment and agriculture health and disease women and social status and urbanism It also discusses the effects of European conquests on Aztec culture and society in addition to offering modern perspectives on their civilization The text is accompanied by colorful illustrations and photos of artifacts from the best collections in Mexico including those of the Templo Mayor Museum and the National Museum of Anthropology both in Mexico City as well as pieces from archaeological sites and virtual reconstructions of lost artwork The book accompanies an exhibition at The Field Museum
