Hopla has worked with some of the game's biggest names including Kobe Bryant, Carmelo Anthony, and Jason Kidd. Now you can benefit from his coaching insights. With this mini e book you'll learn the physical skills and techniques for improving your shooting percentage from the line and from inside the arc. You'll perfect your midrange shooting techniques to sink your stationary jump shots as well as your shots coming off screens and off the dribble. Take your game to a whole new level by mastering these shooting techniques and leave your opponents confused and frustrated. Let Better Basketball Shooting Improving Free Throws and Midrange Jump Shots take you from being a mere shooter to becoming a reliable scorer. The mini e book Better Basketball Shooting Improving Free Throws and Midrange Jump Shots is an abridged version of the comprehensive book Basketball Shooting Human Kinetics 2012.

Jump Shot: Kenny Sailors Lew Freedman, 2014-03-03 Kenny Sailors was a basketball star and the inventor of the jump shot. He attended the University of Wyoming and was MVP in 1943 in college AA basketball. After WWII he spent five years as an early player in the new NBA. As a youngster Kenny was five foot seven but his older brother was six foot two so when playing basketball Kenny had to jump up over his brother to get off a shot. That is how the jump shot was born and Kenny used it in college and professional basketball. He played in Denver and several other cities whose team names have now changed but he also played for the Boston Celtics with Bob Cousy. After he left the NBA he moved to Alaska and in 1965 settled in the Glennallen area where he was a fishing and hunting guide in the Wrangle Mountains for thirty five years. He now lives in Idaho and his son lives and flies aircraft from Antioch California.

Make the Team Richard J. Brenner, 1990 Instructions for improving basketball skills discussing dribbling shooting passing defense and offense and how to handle problems with coaches parents referees and other players. Includes a brief history of the sport.

To the Hoop Ira Berkow, 2014-08-12 A wonderful book not just for basketball fans but for everyone. Earvin Magic Johnson. A good reporter can pick up a pen and chronicle the game of basketball from its X's and O's to its personalities. A great reporter can put down the pen and pick up the rock. Ira Berkow has been many things in his life: a Pulitzer Prize winning reporter, a respected columnist, and a passionate sports fan. He also knows how to thread a pass into the paint. In this wildly entertaining chronicle of his life as both a devotee and gym rat, Berkow writes with good humor and piercing insight about talking strategy with Walt Frazier, running the court with Oscar Robertson, and seeing the game from the inside. From his youth playing on the courts in Chicago in the 40's and 50's to growing older and using the wisdom he's gained to school players half his age, Berkow retains a competitive spirit and a deep love of hoops. This moving tale of love for the game, for his friends and family, and for life itself is a must read for anyone who wants the ball when the game is on the line. An extraordinary look into the art of pickup basketball. Who would have guessed that along with his writing talents, Ira knows how to play the game. Bill Bradley. Ira Berkow is one of the best sportswriters around so it is no surprise that his basketball odyssey is one of the best sports books.
