**The Baker Street File** Michael Cox,1997      [The Baker Street File](#) Michael Cox,2002      *Sherlock Holmes - The Baker Street Case Files* Mark Mower,2017-11-07 Following the success of the earlier volume *A Farewell to Baker Street* we have another collection of previously unknown Holmes and Watson tales that will excite the interests of readers across the globe *The Baker Street Case Files* A decade before his death Dr Watson let it be known that with his passing he wished his nephew Christopher Henry Watson MD to be the executor of his will and guardian of all his personal and pecuniary affairs One of the tasks he sanctioned was that his nephew should use his discretion in selecting for publication some of the three dozen or so cases involving Holmes and Watson which had not already seen the light of day These seven new stories shed more light on the remarkable talents of Mr Sherlock Holmes The first in the collection *The Case of the Rondel Dagger* occurred before Holmes and Watson met *The Mile End Mynah Bird* is a fascinating tale set in the period beyond *The Great War* when both men appear reluctant to retire From the plotting of *The Radicant Munificent Society* to the hidden message of *The Manila Envelope* there is much to entertain and enthrall us As before these tales are designed to contribute in some small part to the lasting memory of two extraordinary men who once occupied that setting we have come to know and love as 221B Baker Street Once again The game is afoot      **Baker Street File** Michael Cox,1989      *The Baker Street Letters* Michael Robertson,2025-08-22 First in a spectacular new series about two brother lawyers who lease offices on London s Baker Street and begin receiving mail addressed to Sherlock Holmes In Los Angeles a geological surveyor maps out a proposed subway route and then goes missing His eight year old daughter in her desperation turns to the one person she thinks might help she writes a letter to Sherlock Holmes That letter creates an uproar at 221b Baker Street which now houses the law offices of attorney and man about town Reggie Heath and his hapless brother Nigel Instead of filing the letter like he s supposed to Nigel decides to investigate Soon he s flying off to Los Angeles inconsiderately leaving a very dead body on the floor in his office Big brother Reggie follows Nigel to California as does Reggie s sometime lover Laura a quick witted stage actress who s captured the hearts of both brothers When Nigel is arrested Reggie must use all his wits to solve a case that Sherlock Holmes would have savored and Sir Arthur Conan Doyle fans will adore      **The Baker Street Translation** Michael Robertson,2013-04-02 When new letters misaddressed to famous former tenant Sherlock Holmes embroil them in a tangle of new cases brothers Reggie and Nigel Heath are compelled to sort out an American heiress s unconventional will translate a nursery rhyme and find a missing rival while preventing an attack on an upcoming royal event      **Sherlock Holmes For Dummies** Steven Doyle,David A. the emotion that is there in Holmes On the surface he seems a cold sometimes dark rather off putting figure But deeper down I think he s a man of feeling Jeremy Brett is still recognised as the most celebrated incarnation of Sherlock Holmes which he presented for ten years Jeremy delighted viewers with his dashing arrogant moody interpretation of the most popular famous detective he brought a brooding intensity to his finest role one of disturbing power He is still called the definitive Sherlock Holmes Covering a forty year period from first leaving Central School of Speech and Drama until his early death at the age of 61 Playing a Part is a full career book of a very fine actor who would delight audiences as a sensitive lover or as a haunted murderer Talented loved and admired by the theatrical world at the birth of the National Theatre led by Laurence Olivier Robert Stephens and Maggie Smith Beginning and ending his career in Manchester he would transfer his talents to the American culture of the 70s as he settled into his new life with his American wife but was enticed back with some of the best classical roles for television and the stage Jeremy s own words are used whenever they are available to present his story and his approach to playing the parts His unfailing enthusiasm for a new project and the degree of commitment comes through Illustrated with original photographs covering his life and career it is the first detailed record of all his performances on the stage film or television

*Divine Madness* Harry Eiss,2011-08-08 Lila is Sanskrit for play the play of the gods It is the self generating genesis of Bliss created by Bliss for the purpose of Bliss It is the uninhibited impulsive sport of Brahman the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment It is beyond the confining locks and chains of reason beyond the steel barred windows looking out from the cages of explanation beyond the droning tick tick tick of the huge mechanical clocks of time Come let us enter the realm of the madman and the finely wrought threads of Clotho as they are measured out by Lachesis and cut by Atropos to create the great tapestry of life including the intricate intertwining designs of dementia with the trickster the shaman the scapegoat the shadow the artist and the savior Come let us join in the divine madness of the gods

**Sherlock Holmes - The Hero With a Thousand Faces: Volume 2** David

MacGregor, 2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett s portrayal for Granada Television and then the BBC s Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch s version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett s poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come
