Peachy's life is transformed forever **Until the Sun Breaks Down: A Künstlerroman in Three Parts** Joseph Nicoletto, 2021-02-26 Written when the author was in his early and mid twenties *Until the Sun Breaks Down* is a contemporary American Künstlerroman modeled on Dante's *Divine Comedy*. In three parts and one hundred chapters that mirror Dante's classic poem Nicoletto takes the reader through present day American towns and cities, infernal, purgatorial and paradisaical aspects with nothing left off the table. In the third and final volume, structurally modeled on Dante's *Paradiso*, the national themes of interior and exterior decline reach a head before anything like peace is found for anyone. For that matter, the text takes on an Augustinian turn: the City of Man vs the City of God, with William Fellows coming to the end of the line of temporal pleasures and escapes and even disillusionment with San Francisco or the furthest end of western civilization. It is here that the character Octavia begins to take on the role of Beatrice, guiding William to safe passage but not before hallucinatory episodes in both the city and the town of San Francisco and Jerusalem.

The Whore And The Mercenary Eric Del Valle, 2024-12-17 A young ex-combatant of one of the illegal armed groups in South America is recruited by a company of mercenaries to fight in a war of occupation led by one of the world powers and sent to the front line to serve as cannon fodder. The dream of a beautiful young woman to become a model turns into a nightmare when she responds to an advertisement from a supposed modeling agency to parade on the catwalks of Europe and ends up in the clutches of a human trafficking network. The lives of these two young people are intertwined in the midst of misadventures and romance to raise awareness about the danger faced by many young people who are victims of human traffickers. Some, with the consent of certain governments.

Old Whore Life, Exploring the Shadow Side of Karma Orest Stocco, 2012-09-01 A long time ago no one knows quite when a young man with an adventurous spirit but very innocent to the ways of the world was seduced by Old Whore Life. She became pregnant and gave birth to a male child whom she named Murphy. Born of innocence and deception, Murphy was not a normal child. Cursed with his mother's insatiable desire to deceive the world and blessed with his father's guileless nature, Old Whore Life weaned her favorite child for his destined purpose: to test the spirit of man with what over time came to be known as Murphy's Law, and so it came to pass that regardless of what we do in life, if anything can go wrong, it will.
