The Ballad Of Frankie Silver:

The Ballad of Frankie Silver Sharyn McCrumb, 2013-03-26 The New York Times Bestseller Set in the Appalachian wilderness and blending legends and folklore with high suspense this stellar novel The Ballad of Frankie Silver is considered one of McCrumb's crowning achievements In 1833 Frankie Silver was an eighteen year old girl convicted of murder in Burke County North Carolina Through a detailed investigation the local sheriff and soon all the townsfolk discover reason to question her guilt but the wheels of justice were mercilessly unstoppable and she was hanged Now more than a century later another woman is convicted of murder in the lush hills of Tennessee Her life is in the hands of Spencer Arrowood a man who begins to discover that the convictions of these two women have deep and haunting parallels Although Frankie's fate cannot be changed there is still time to alter the fate of another innocent woman In a voice that could only be Sharyn McCrumb's the worlds of these two murders these two women intersect in this densely plotted and lyrical novel and characters generations and history are breathlessly painted against an Appalachian canvas The Ballad of Frankie Silver Panaiotis, 1992 The Ballad of Frankie Silver Karen Baldwin, Daniel Watkins Patterson, North Carolina Folklore Society, East Carolina University, 2000 Comprises historical and folkloristic materials dealing with aspects of the documentary film The Ballad of Frankie Silver and is a companion text for the film which features Bobby McMillon storyteller The Untold Story of Frankie Silver Perry Deane Young, 2012-05-04 Three days before Christmas in 1831 Frankie Silver killed her husband Charles Silver with an axe and burned his body in the fireplace Author Perry Deane Young whose ancestors were involved in the case began collecting material about it as a teenager As a college student he was astounded to learn that most of what he had been told was actually false Abused by her husband Frankie killed in self defense The laws of that time would not allow her to take the stand and explain what happened She was unjustly hanged in July of 1833 Young proves the real crime is the way this poor woman has been misrepresented by balladeers and historians all these years Perry Deane Young provides important historical background to this fascinating story Young is able to build suspense even for a story many of his readers may already know By personalizing both Frankie Silver's story and his own search for it Young has given readers an interesting and well written book about history and the way it is created Lynn Moss Sanders in Appalachian Journal Most of my life I've heard stories about a pretty mountain lady who was hanged for nothing more serious than murdering her husband Here and I can say at last after one and a half centuries is the true account thoroughly researched and beautifully presented It's a highroad journey into this Appalachian mystery John Ehle author of The Land Breakers The Road The Journey of August King

From a Race of Storytellers Kimberley M. Holloway, 2003 From a Race of Storytellers will also be attractive to the general reader who wants to read more about the characters who inhabit McCrumb's fictional Hamelin Tennessee and to better understand the events that occur there Through essays written by fourteen different scholars of McCrumb's fiction and one by McCrumb herself readers will gain a deeper understanding of the real southern Appalachian mountains not just

the popular image BOOK JACKET *Literature and Law* ,2016-08-09 In recent years there has been a continuing and persistent world wide interest in the interaction between the two disciplines of law and literature Although there have been many collections of primary texts that combined these two areas this volume presents literary analyses and criticism in an attempt to assess the varied relationships between law and justice between lawyers and clients and between readers perceptions and authors intent hopefully suggesting why they have continually been yoked together One similarity between the two is that lawyers like writers must catch their audience s attention by novelty of scene distinctiveness of voice and ingenuity of design Furthermore legal advocates must recreate a concrete sense of reality developing vivid and valid pictures of a specific time and place In short both lawyers and writers attempt to provide a basis for juries readers to judge defendants characters by their motivations and their actions and to decide whether a favorable ruling assessment is justified Collectively the essays in this book are designed to deal with themes of guilt and innocence right and wrong morality and legality The essays also suggest that the world as it is delineated by lawyers is indeed a text that like its literary counterparts sometimes blurs the distinction between fact and fiction as it attempts to define truth and to establish criteria for impartial justice By exploring interdisciplinary contexts readers will surely be made more aware more sensitive to the roles that stories play in the legal profession and to the dilemmas faced by legal systems that often succeed in maintaining the rights and privileges of a dominant societal group at the expense of a less powerful one Great Women Mystery Writers Elizabeth A. Blakesley,2006-11-30 Mysteries are among the most popular books today and women continue to be among the most creative and widely read mystery writers This book includes alphabetically arranged entries on 90 women mystery writers Many of the writers discussed were not even writing when the first edition of this book was published in 1994 while others have written numerous works since then Writers were selected based on their status as award winners their commercial success and their critical acclaim Each entry provides biographical information a discussion of major works and themes and primary and secondary bibliographies The volume closes with appendices and a selected general bibliography Public library patrons will value this guide to their favorite authors while students will turn to it when writing reports North Carolina Myths and Legends Sara Pitzer,2015-10-01 North Carolina Myths and Legends explores unusual phenomena strange events and mysteries in North Carolina s history Each episode included in the book is a story unto itself and the tone and style of the book is lively and easy to read for a general audience interested in North Carolina history Read about the Cherokee legend of the Judaculla rock Try to figure out if Tom Dula subject of many a local myth and a popular folk song really did murder his wife Speculate as to what really caused the Carolina Bays indentations **Justice Denoted** Terry White,2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller

to a subgenre of mystery fiction. Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important. It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists. Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller. Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason. The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers' *Anatomy of a Murder* as well as the romantic potboiler. Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner, John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart, Lisa Scottoline, Margaret Maron, Scott Turow and John Grisham. There are also individual works by Shakespeare, Goethe, Kafka, Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *le noir* of the common individual caught up in its maw. The appendices include comments by lawyer novelist Michael A. Kahn, a historical introduction to the legal thriller, craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires, bibliography of critical sources and articles, series characters and the legal terminology found in courtroom dramas and novels. An essential reference tool for scholars, researchers as well as the occasional reader of legal thrillers.

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21. This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's, written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here in one convenient source are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.

The Untold Story of Frankie Silver Perry Young, 2005-11. The Untold Story of Frankie Silver. Three days before Christmas 1831, Frances Silver killed her husband Charles with an ax in their cabin in what is now Mitchell County, N.C. She chopped the body into pieces and burned

some of it in the fireplace Three months later she was tried convicted and sentenced to death She was hanged at Morganton N C on July 12 1833 Frankie s story evolved into ballad and legend fascinating generation after generation Perry Deane Young whose ancestors played a role in the case began collecting material about it as a teenager As a young man he was startled to discover that much of the story he d been told was actually false He now has sifted through legend myth and countless documents to tell the true story of one of Appalachia s best known tales

Dead and Gone Manly Wade Wellman, 2017-01-12 An absorbing collection of ten famous murder stories of North Carolina spanning the years 1808 to 1914 An interesting job of reporting A book that rates a place on the bedside table Charlotte Observer

A Tree Accurst Daniel W. Patterson, 2003-06-19 On a wintry night in 1831 a man named Charlie Silver was murdered with an axe and his body burned in a cabin in the mountains of North Carolina His young wife Frankie Silver was tried and hanged for the crime In later years people claimed that a tree growing near the ruins of the old cabin was cursed that anyone who climbed into it would be unable to get out Daniel Patterson uses this accurst tree as a metaphor for the grip the story of the murder has had on the imaginations of the local community the wider world and the noted Appalachian traditional singer and storyteller Bobby McMillon For nearly 170 years the memory of Frankie Silver has been kept alive by a ballad and local legends and by the news accounts fiction plays and other works they inspired Weaving Bobby McMillon s personal story how and why he became a tale teller and what this story means to him into an investigation of the Silver murder Patterson explores the genesis and uses of folklore and the interplay between folklore

social and personal history law and narrative as people and communities try to understand human character and fate Bobby McMillon is a furniture and hospital worker in Lenoir North Carolina with deep roots in Appalachia and a lifelong passion for learning and performing traditional songs and tales He has received a North Carolina Folk Heritage Award from the state s Arts Council and also the North Carolina Folklore Society s Brown Hudson Folklore Award **Bloodroot** Joyce
