Readings on Global Slavery Damian Alan Pargas,Felicia Roşu,2017-12-05 The study of slavery has grown strongly in recent
years as scholars working in several disciplines have cultivated broader perspectives on enslavement in a wide variety of
contexts and settings Critical Readings on Global Slavery offers students and researchers a rich collection of previously
published works by some of the most preeminent scholars in the field With contributions covering various regions and time
periods this anthology encourages readers to view slave systems across time and space as both ubiquitous and
interconnected and introduces those who are interested in the study of human bondage to some of the most important and
widely cited works in slavery studies *Journal of the Gypsy Lore Society* ,1928
