Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity **Jewish Curriculum and Resource Guide for the Armed Forces: Resource guide update (1984)** ,1985 **Library Journal** ,2004 **The Everything Guide to Being an Event Planner** Jennifer Mancuso,2007-11-01 Do you love throwing parties Are you the most organized person you know Can you thrive in a fast paced environment If so event planning could be your perfect career choice Seasoned event planner Jennifer Mancuso helps you to get started and succeed in this exciting field This book s insider tips and step by step guidance will teach you how to Tailor events to each client from a corporate dinner to an intimate wedding Market and network to keep business coming Hire vendors that your client will love Build a great reputation in your area and beyond Whether you ve recently earned a hospitality degree or are simply looking for a fun career change The Everything Guide to Being an Event Planner will help you break out of the routine and start a new creative endeavor one celebration at a time **Subject Guide to Books in Print** ,1997
