They are the third generation members of the Gohman family that immigrated from Lower Saxony, Germany to the United States in 1843 and migrated from Cincinnati to Minnesota in 1855. The first and second generations are introduced briefly. The lives of the Third Generation spanned a period from 1868 to 1991, an amazing 123 years. Generally engaged as farmers, they were diverse personalities who responded to life experiences in diverse ways. They lived through times of both great prosperity and deep poverty. They experienced two world wars and dramatically changing technology. This generation of the Gohman family thrived as they adapted to the changes in their lives from the horse and buggy times to the days of the jet plane. *District of Columbia Appropriations* United States.
