British Women and the Spanish Civil War Angela Jackson,2003-09-02 Through oral and written narratives this book examines the interaction between women and the war in Spain their motivation the distinctive form of their involvement and the effect of the war on their individual lives These themes are related to wider issues such as the nature of memory and the role of women within the public sphere The extent to which women engaged with this cause surpasses by far other instances of female mobilization in peace time Britain Such a phenomenon therefore can offer lessons to those who would wish to encourage a greater degree of interest amongst women in political activities today

Unsettled Jordanna Bailkin,2018-06-27 Today no one really thinks of Britain as a land of camps Camps seem to happen elsewhere from Greece to Palestine to the global South Yet over the course of the twentieth century dozens of British refugee camps housed hundreds of thousands of Belgians Jews Basques Poles Hungarians Anglo Egyptians Ugandan Asians and Vietnamese Refugee camps in Britain were never only for refugees Refugees shared a space with Britons who had been displaced by war and poverty as well as thousands of civil servants and a fractious mix of volunteers *Unsettled Refugee Camps and the Making of Multicultural Britain* explores how these camps have shaped today s multicultural Britain They generated unique intimacies and frictions illuminating the closeness of individuals

that have traditionally been kept separate citizens and migrants but also refugee populations from diverse countries and conflicts As the world s refugee crisis once again brings to Europe the challenges of mass encampment Unsettled offers warnings from a liberal democracy s recent past Through lively anecdotes from interviews with former camp residents and workers Unsettled conveys the vivid everyday history of refugee camps which witnessed births and deaths love affairs and violent conflicts strikes and protests comedy and tragedy Their story like that of today s refugee crisis is one of complicated intentions that played out in unpredictable ways The aim of this book is not to redeem camps nor indeed to condemn them It is to refuse to ignore them Unsettled speaks to all who are interested in the plight of the encamped and the global uses of encampment in our present world *The Illustrated review* Illustrated review,1871 [Chambers's Edinburgh Journal](#),1844 *The English Historical Review* Mandell Creighton,Justin Winsor,Samuel Rawson Gardiner,Reginald Lane Poole,Sir John Goronwy Edwards,1900
