The Echo Of The Gospel:

Echoes of the Good News Justin Nnaemeka Onyeukaziri,2014-03-14 As Christians today we need to enter into dialogue with the context of the world of which generation we are The Four gospel evangelists present to us the Jesus who always engages his contemporary in an intelligent conversation not only on matters of faith and morals but on the entire existential life situations of the people at his time In the constant conversation between Jesus and his major interlocutors the scribes the Pharisees and or the Sadducees Jesus demonstrates and establishes that Christianity should have the nature of a rational intelligent faith and morals not an irrational blind faith and moral Whenever we fail as Christians to act or react to the realities of our world with a rational or intelligent faith and moral attitude we always end up not only becoming inhuman cruel exploitative manipulative and hypocritical like the scribes and the Pharisees of Jesus time but we also become predators persecutors fanatics enemies and killers of gifted and ingenious people in the name of God We become stagnant and remain in the past making Christianity unattractive sterile and a gathering of people of weak minds who nourish themselves with fables and superstitions Thus Christianity would be erroneously conceived as an enemy to science enemy to technological advancement enemy to politics enemy to Economic growth and entire human development and societal advancements This rational faith attitude is what this book attempts to expose and invite everyone to have for a better and richer Christian experience in our informative explosive generation   James, 1 & 2 Peter, and Early Jesus Traditions Alicia J. Batten,John S. Kloppenborg,2015-02-26 This book studies comparisons and possible trajectories between three catholic epistles and traditions associated with Jesus Part A analyzes why James would recall the teachings of Jesus how he alters these teachings and what such adaptation suggests about his audience Part B turns to the Jesus tradition and 1 and 2 Peter What can 1 Peter s use of Isaiah 53 tell us about the historical Jesus How has 1 Peter conflated early Jesus traditions with those of ancient Judaism in order to develop certain ideas How does 2 Peter allude to Gospel traditions Moreover how does the author of 2 Peter use early Jesus traditions as a sort of testimony The book is an important contribution to scholarship on source criticism ancient rhetoric and the influence of Hellenistic Judean and Roman traditions on early Christianity   **The Content and the Setting of the Gospel Tradition** Mark Harding,Alanna Nobbs,2010-10-22 Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two The Content and Setting of the Gospel Tradition integrates the texts with the literary social and historical context in which they were written   A Voyage Around the Second Letter of Peter Terrance Callan,2020-03-17 A collection of twelve previously published academic essays on the Second Letter of Peter The essays illuminate selected features of this somewhat mysterious and rather neglected part of the New Testament They invite further exploration of these features and of others

not yet illuminated **Echoes of Jesus in the First Epistle of Peter** Timothy E. Miller,2022-03-10 How did the words of Jesus influence the writing of 1 Peter That is the question that is at the heart of this study Of course the answer is complicated by the fact that 1 Peter nowhere directly references the words of Jesus Nevertheless the impact of his words are evident throughout the letter The first third of the book lays the foundation for answering the question by giving clear and concise criteria for identifying places where 1 Peter uses the words of Jesus The rest of the book walks through the text of 1 Peter section by section submitting each potential echo of Jesus s words to the criteria previously developed The book concludes by considering how the words of Jesus influenced the themes and content of the letter *The Gospel of Mary* Christopher Tuckett,2007-08-23 This volume the first in a major new series which will provide authoritative texts of key non canonical gospel writings comprises a critical edition with full translations of all the extant manuscripts of the Gospel of Mary In addition an extended Introduction discusses the key issues involved in the interpretation of the text as well as locating it in its proper historical context while a Commentary explicates points of detail The gospel has been important in many recent discussions of non canonical gospels of early Christian Gnosticism and of discussions of the figure of Mary Magdalene The present volume will provide a valuable resource for all future discussions of this important early Christian text Affirming the Resurrection of the Incarnate Christ Matthew D. Jensen,2012-09-13 Argues that 1 John was written to affirm Jesus resurrection in light of Jewish denials that he was the Christ **The Echo of the Gospel** Charles Belmonte,1991 *The Bible echo, ed. by W. Kellaway* W Kellaway,1874 **The Bible, Mormon Scripture, and the Rhetoric of Allusivity** J. Frederick,2016-05-05 One of the most pertinent questions facing students of Mormon Studies is gaining further understanding of the function the Bible played in the composition of Joseph Smith s primary compositions the Book of Mormon and the Doctrine and Covenants With a few notable exceptions such as Philip Barlow s Mormons and the Bible and Grant Hardy s Understanding the Book of Mormon full length monographs devoted to this topic have been lacking This manuscript attempts to remedy this through a close analysis of how Mormon scripture specifically the Book of Mormon and the Doctrine and Covenants integrates the writings of New Testament into its own text This manuscript takes up the argument that through the rhetoric of allusivity the allusion to one text by another Joseph Smith was able to bestow upon his works an authority they would have lacked without the incorporation of biblical language In order to provide a thorough analysis focused on how Smith incorporated the biblical text into his own texts this work will limit itself only to those passages in Mormon scripture that allude to the Prologue of John s gospel John 1 1 18 The choice of the Prologue of John is due to its frequent appearance throughout Smith s corpus as well as its recognizable language This study further argues that the manner in which Smith incorporates the Johannine Prologue is by no means uniform but actually quite creative taking at least four different forms Echo Allusion Expansion and Inversion The methodology used in this work is based primarily upon recent developments in intertextual studies of the Bible an analytical method that has proved to be quite effective in studying

later author s use of earlier texts *But It Is Not So Among You* Alberto de Mingo Kaminouchi,2003-10-01 Power is an issue that is attracting increased interest among philosophers theologians and social scientists The gospel of Mark especially in 10 32 45 contains teachings attributed to Jesus about the use and abuse of power This book applies a combination of different methods and approaches mainly orality criticism literary criticism and a sensitivity for the social and cultural environment of the text showing the centrality of Jesus s message on the issue of power both for the plot and for the theology of Mark This message is a call to practice leadership in a way that is subversive toward the networks of power of the empire *Sleuthing the Bible* John Kaltner,Steven L. McKenzie,2019-06-18 Why is there crime scene tape on my Bible Elementary my dear reader There is an element of detective work to biblical scholarship that entails sniffing out and interpreting clues that often escape the notice of readers John Kaltner and Steven L McKenzie introduce the art of sleuthing the Bible providing the necessary training to hunt for clues and piece them together to understand the larger picture Sleuthing the Bible helps answer questions that occur during thoughtful examination of the Bible and provides exercises enabling readers to work through biblical passages on their own Kaltner and McKenzie analyze two kinds of clues 1 Smoking Guns those that are obvious upon any close reading of biblical texts and 2 Dusting for Prints those that are more subtle or hidden from nonspecialists because of their unfamiliarity with the languages culture and larger content of the Bible Written in a jargon free and accessible style Sleuthing the Bible is an ideal resource for anyone who wants to dig deeper into the biblical text Let the Gospels Preach the Gospel Christopher J.
