Loftus, 2022-06-29 To most people on the planet the existence of Jesus is a given Of course he did They take it for granted  
that he existed simply because it reaffirms their faith But to the rest of us who don't believe in a supernatural Jesus the  
question of the historicity of Jesus is not simple There are thousands of different ideas about to what extent the Jesus tales  
were based on a real man or men or woman Did Jesus even exist and if not what best explains the rise of such a character in  
the New Testament That is where John W Loftus and Robert M Price come in Each with decades of experience in the fields of  
theology and Christian history Loftus and Price have compiled essays from some of the top authorities on Jesus mythicism to  
establish the world's first academic catalogue of mythicist beliefs Experts who provided chapters include David Fitzgerald  
Joseph Atwill Michael Lockwood and more The question is no longer simply Did Jesus even exist In this compilation you'll find  
yourself questioning everything about the Christ story and how it truly began      **Selected Works of Rudyard Kipling:**
