The El Murders:

The El Murders Bill Granger, 1989-06-01 When the victims of two violent crimes begin to resemble criminals themselves Terry Flynn of the Chicago police is forced to face some disturbing truths about his life and the criminal justice system El Murders Bill Granger, Granger, D., 1990-03-01 *Gangs of the El Paso-Juárez Borderland* Mike Tapia, 2019-12-15 This thought provoking book examines gang history in the region encompassing West Texas Southern New Mexico and Northern Chihuahua Mexico Known as the El Paso Ju rez borderland region the area contains more than three million people spanning 130 miles from east to west From the badlands the historically notorious eastern Valle de Ju rez to the Puerto Palomas port of entry at Columbus New Mexico this area has become more militarized and politicized than ever before Mike Tapia examines this region by exploring a century of historical developments through a criminological lens and by studying the diverse subcultures on both sides of the law Tapia looks extensively at the role of history and geography on criminal subculture formation in the binational urban setting of El Paso Ju rez demonstrating the region s unique context for criminogenic processes He provides a poignant case study of Homeland Security and the apparent lack of drug war spillover in communities on the US Mexico border *El Infierno: Drugs, Gangs, Riots and Murder* Pieter Tritton, 2017-07-27 Gato s head snapped back We could make out the shots of several 9mms a couple of 38s and one or two 45s I hurled myself through the doorway and into the room I didn t look back Caught in an Ecuador hotel room with 8kg of cocaine Pieter Tritton was no mule or dupe He had planned and organised everything The consequence a 12 year sentence inside one of the world s deadliest prison systems where gun fights executions and riots are a part of everyday life As a Brit banged up abroad Pieter had to learn how to survive and fast because one wrong move would mean death This is the insider account of what it s like to live in a place worse than hell and come out a changed man on the other side **The Art of Political Murder** Francisco Goldman, 2008-09-16 In this New York Times Notable Book the Pulitzer Prize finalist undertakes his own investigation into the murder of a Guatemalan bishop Named a Best Book of the Year by the Washington Post Book World the Chicago Tribune the Economist and the San Francisco Chronicle Two days after releasing a groundbreaking church sponsored report implicating the military in the murders and disappearances of some two hundred thousand Guatemalan civilians Bishop Juan Gerardi was bludgeoned to death in his garage Gerardi was the country s leading human rights activist but the Church quickly realized it could not rely on police investigators or the legal system to solve the crime Instead Church leaders formed their own investigative team a group of secular young men who called themselves Los Intocables the Untouchables Author Francisco Goldman spoke to witnesses no other reporter was able to reach observing firsthand some of the most crucial developments in this sensational case Documenting the Latin American reality of mara youth gangs and organized crime *The Art of Political Murder* tells the incredible true story of Los Intocables and their remarkable fight for justice Becoming by turns a little bit Columbo Jason Bourne and Seymour Hersh Goldman gives us the anatomy of a crime while opening a

window to a misunderstood neighboring country that is flirting with anarchy The New York Times Book Review [A History of Political Murder in Latin America](#) W. John Green,2015-04-27 A sweeping study of political murder in Latin America This sweeping history depicts Latin America's pan regional culture of political murder Unlike typical studies of the region which often focus on the issues or trends of individual countries this work focuses thematically on the nature of political murder itself comparing and contrasting its uses and practices throughout the region W John Green examines the entire system of political murder the methods and justifications the perpetrators employ the victims and the consequences for Latin American societies Green demonstrates that elite and state actors have been responsible for most political murders assassinating the leaders of popular movements and other messengers of change Latin American elites have also often targeted the potential audience for these messages through the region's various dirty wars In spite of regional differences elites across the region have displayed considerable uniformity in justifying their use of murder imagining themselves in a class war with democratic forces While the United States has often been complicit in such violence Green notes that this has not been universally true with US support waxing and waning A detailed appendix exploring political murder country by country provides an additional resource for readers
