Woodiwiss,2000-03-08 In her groundbreaking romantic masterwork *The Flame and the Flower* Kathleen E Woodiwiss first introduced readers to a remarkable love story She captivated her devoted audience again with the long awaited sequel *The Elusive Flame* Now the magnificent story comes full circle with *A Season Beyond A Kiss* Her marriage to dashing American shipping magnate Jeff Birmingham signals the beginning of a wonderful new life for Raelynn Barrett In the loving shelter of her husband's embrace the pain of loss is diminished as is her anger over her family's tragic and undeserved disgrace But try as she might Raelynn cannot close her ears to the cruel accusations and whispered rumors about her new spouse that buzz around her head like bees And she cannot deny what her own eyes see though the images before her seem to brand her darling Jeff as the worst sort of criminal forcing her to flee his desire and his love Yet Jeff knows he is innocent though he is unaware of the conspiracy that has shrouded his marriage in secrets and now imperils it with lies And he will oppose the treachery with every fiber of his being in order to preserve his threatened happiness to win back the trust of the woman he cherishes and secure his place forever in his beloved Raelynn's heart *A Fool In Love* J. Jean Elliott,2007-11-07 Marina Frances had been in love with Jettson Frame from the moment she had lain eyes on him eleven years earlier But Jettson had never noticed for drooling all over Flame who had noticed him for the same length of time it took her to dump him and marry another man Then Jettson had moved out of the state and Marina hadn't seen nor heard of him in six years Plus she had gotten on with her life to the point of becoming engaged to marry her attorney boyfriend of a year and a half and the marriage was six weeks away Now Jettson was back in her life busily chasing after her divorced Cousin Flame while trying to foist her off onto his nerdy Cousin Berry all just like old times How was Marina supposed to cope with her imminent marriage knowing she was still in love with Jettson a man who didn't know she was alive in that way and a man who could never seem to get her name straight Nervously Marina marched down the aisle on her father's arm Monday evening after her succession of bridesmaids Her mother had been seated at the front of the church by one of Harvey's groomsmen an impatient look on her face as if the wedding wouldn't take place fast enough for her Harvey's parents had been seated across the aisle from her Harland Jr and Amy Lennox looking on at her entrance with interest But Marina barely took note of any of them as her gaze fixed on her fianc as he stood tall and proud before the Reverend Ansley with Ty Wallerstein officiating as his best man It was only a wedding rehearsal and Marina was a total mess her heart thudding in her chest like a jackhammer Harvey was a good man her mother had been right about that and he loved her very much Marina would be a fool not to marry him in light of his

newfound status at his law firm By the same token how could she possibly marry him knowing she was in love with another man What guarantee did she have that she would learn to love him after they were married when it didn't work for her Aunt Nadine three times And how did Marina know that Harvey wouldn't be able to detect by her marital frigidity that she didn't love him in the true sense of the word She should be telling Harvey right now that she could not marry him because she was not in love with him But by the same token she wanted to marry him because she would be a fool to let a great catch like him go She was torn wanting him but for all the wrong reasons Marina fought to get a grip on herself as she and her father neared the altar Perhaps if she recalled the playful banter that had taken place between her and her bridesmaids out in the lobby before the rehearsal had started Simone joking about how eldest son Drancy had gotten in a fight with a neighboring child that day and how Azar had beat his behind when he'd arrived home that evening Gale telling her something about Darnell having returned home from his weekend business and their plans to get together later on that evening Shawna telling her something about being voted employee of the month at one of her jobs And Flame laughing about how Jettson had taken her to Six Flags Over Georgia for the day on Sunday and how she had gotten him to spend all of his money on her So what else was new Yet as her mind lingered on thoughts of him Marina had to fight the urge to scream JETTSON FRAME He was the cause of all of her problems the cause of all of her doubts concerning Harvey Marina just did manage to pull herself together as her father deposited her at Harvey's side She forced warmth to her expression as she met the expectant look he turned on her And at this point I will say Who gives this woman to be with this man And you will say the Reverend Ansley prompted her father I do answered Orin Francis And then you will give your daughter to Harvey and turn

When 3 Suicides Met! Shaidornell Swer, 2017-04-18 What happens when three diverse personalities one destructive ambition and a strangely peculiar place end up colliding together in a single moment of time The result would doubtlessly be the effect of one crazy coincidence Indeed history's most bizarre coincidence Interestingly enough the rest of that bizarre coincidence ends up being even more so as the story unfolds Inspired by true events and a dollop of the author's imagination When 3 Suicides Meet is a strange rollercoaster ride of intertwining stories and strange happenings that bring three people seemingly strangers to each other on the brink of the weirdest experiences that life can serve them

ANIMAE Emma Coccioli, 2019-09-19 Romanticism the brooding and intensely personal eighteenth century art and literary movement takes on a new lease of life in this carefully curated collection of interviews with contemporary artists from around the world Informed by the writings of the renowned psychoanalyst James Hillman Romanticism is reconsidered from a twenty-first century perspective Moving past a purely formal presentation of the artists' work this text strives to uncover the deeper meaning and more pressing issues present in the artworks All connected by a similar romantic vein Emma Coccioli explores each artist's individual practice through a series of carefully selected questions For Coccioli discussions of the moral issue and the future of the world also form an important part of the interviews Coccioli acknowledges that artists have often been asked questions

about their role in relation to the moral issue and the problem of nihilism However even if we have an inherent understanding of the concepts of good and evil Coccioli argues that there is a need to re examine the modern day psyche as it tends to be apathetic and with little emotional resonance on our actions and behaviour Global overpopulation climate change and the planet s limited resources are also meaningfully discussed in this collection of interviews In questioning the artists whose work addresses even remotely these topics Coccioli encourages them to consider what they believe to be the greatest threats to today s global community and to suggest solutions that might be adopted by future generations This original and engaging look at contemporary art practice presents a sophisticated discussion of some of the most pressing issues for modern day society The interdisciplinary nature of this book means that it will appeal to students scholars artists and to anyone with an interest in the fascinating world of contemporary art *Unleashing The Storm* Shay Rucker,2018-09-04 It all starts with a feeling Something isn t right hasn t been since love found its way inside Mama s Brood gets more wrong the moment Lucas Big Country Beaumont is captivated by the raw sensuality of Stormy Redmond Never one to be controlled by anything as deceptive as a woman s nature Big Country relies on a tried and true system to ensure his dealings with women remain relegated to mutually beneficial transactions that end when he says they end Or so it was before that feeling Now faced with the consequences of one unfortunate decision and a past that will no longer be ignored Big Country struggles to contain the truth of his nature lest it destroys everyone he cares about including Stormy the one woman capable of showing him why a man would be willing to die for something as foolish as love **Come Love a Stranger** Kathleen E.
