Chapter 2 The Hidden Doorway Finn had a tough time finding the secret door He had never walked that far in such a long time Sometimes the road wasn t clear so he had to find his own way through tall grass and heavy bushes Finn on the other

hand stayed firm He thought back to the map and the strange X that showed where the magical forest s opening was He walked around with interest and anticipation looking forward to the wonders that were in store for him After what seemed like hours Finn finally got to a place that matched what the map said it was It was a nice area that was far from the main roads A thick green wall of ivy stretched out in front of him and looked like a doorway to another world Finn was shocked when he found out about it He thought that this must be the hidden way to get into the Enchanted Forest Finn took a deep breath reached out and pulled the ivy away slowly It felt like going into a book As soon as he went through the ivy everything changed He thought he was seeing the trees and flowers for the first time because they were so brightly colored The light was also better It smelled like blooms and something else something lovely The air was cool and tasty Finn stayed for a while and watched everything The Enchanted Forest was the most beautiful place he could have thought of Every leaf and breeze in this pristine place seemed to be telling secrets Finn was amazed and happy This was the kind of place he had always dreamed existed and he was about to find it
