

The background of the cover is a deep black space filled with stars. A large, reddish-orange planet with dark, swirling bands of clouds dominates the right side of the frame. Two thin, bright orange lines, possibly representing orbits or light trails, stretch across the upper portion of the image. In the lower-left quadrant, a small, white, four-legged lander with a central dome and a glowing red light at its base is shown. A faint, wispy trail of white smoke or dust extends from the lander towards the bottom left.
