**The End of Colonial Rule in West Africa** John D. Hargreaves, 1979-06-17      **The End of Colonial Rule in West Africa** John Desmond Hargreaves, 1976      **The Dissolution of the Colonial Empires** Franz Ansprenger, 2018-05-01 First published in 1989 On the eve of the First World War almost 72 million square kilometres of territory and more than 560 million people were under colonial rule By 1980 the European colonial empires had disappeared from the map Concentrating in particular on the British Commonwealth and the French colonial empire the author shows how economic and political changes in the mother countries the awakening national consciousness of the African and Asian peoples and the effects of two World Wars had all compelled Europe to decolonize He argues that although a satisfactory new order in world politics and the global economy has not been achieved in the process the dissolution of the empires came about with remarkably little bloodshed thereby laying a solid foundation for the future The author concludes by looking at the legacy of the decolonized world in the late 1980s He examines the last bastion of European colonial domination South Africa and discusses the emerging new North South relations      *The Routledge Companion to World History since 1914* Chris Cook, John Stevenson, 2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world's major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world's major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history      **A History of West Africa** Toyin Falola, 2023-12-29 This book introduces readers to the rich and fascinating history of West Africa stretching all the way back to the stone age and right up to the modern day Over the course of twenty seven short and engaging chapters the book delves into the social cultural economic and political history of West Africa through prehistory revolutions ancient empires thriving trade networks religious traditions and then the devastating impact of the Trans Atlantic slave trade and subsequent colonial rule The book reflects on the struggle for independence and investigates how politics and economics developed in the post colonial period By the end of the book readers will have a detailed understanding of the fascinating and diverse range of cultures to be found in West Africa and of how the region relates to the rest of the world Drawing on decades of teaching and research experience this book will serve as an excellent textbook for entry level History and African Studies courses as well as providing a perfect general introduction to anyone interested in finding out about West Africa      Routledge Library Editions: World Empires

Various,2021-07-09 The 16 volumes in this set originally published between 1919 and 1998 draw together research by leading academics in the area of World Empires and provide an examination of related key issues The books examine French Colonialism the German Empire and the Ottoman Empire as well as the effect European colonialism had in Africa and Asia This set will be of particular interest to students of world history **Capitalist Imperialism, Crisis and the State** J. Willoughby,2013-07-04 How valid is the Marxian theory of imperialism This book traces the historical development of the theory of imperialism the internationalisation of capital and theories of capitalist nation state formation **Encyclopedia of Historians and Historical Writing** Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The Palgrave Handbook of African Political Economy** Samuel Ojo Oloruntoba,Toyin Falola,2020-06-23 This handbook constitutes a specialist single compendium that analyses African political economy in its theoretical historical and policy dimensions It emphasizes the uniqueness of African political economy within a global capitalist system that is ever changing and complex Chapters in the book discuss how domestic and international political economic forces have shaped and continue to shape development outcomes on the continent Contributors also provoke new thinking on theories and policies to better position the continent's economy to be a critical global force The uniqueness of the handbook lies in linking theory and praxis with the past future and various dimensions of the political economy of Africa **Europe Since 1945** J. Robert Wegs,Robert Ladrech,2017-09-16 As Europe has expanded its influence in world economic and political affairs there has been an increased need to understand how Europe recovered from the devastation of World War II to become a major world player This concise history offers a comprehensive overview of Europe's political social economic and cultural developments since 1945 J Robert Wegs and Robert Ladrech balance a narrative of the major events and personalities of the post war political scene with a critical assessment of key issues and themes such as The development of the welfare state European integration and the European Union The Cold War The rise and fall of the Soviet Empire The political economic turmoil in eastern Europe since 1989 The place of Europe in the globalisation of the world's political economic affairs The text also features further reading sections at the end of each chapter to aid more detailed study and is enhanced throughout with tables maps and illustrations Written for students and general readers alike this thoroughly revised updated and expanded new edition is an ideal introduction for anyone with an interest in the history and politics of

post war Europe east and west      Decolonization in Africa John D. Hargreaves, 2014-07-30 John Hargreaves examines how the British French Belgian Spanish and Portuguese colonies in tropical Africa became independent in the postwar years and in doing so transformed the international landscape African demands for independence and colonial plans for reform central to the story are seen here in the wider context of changing international relationships      *Ibss Poli Sci 29 1980* "International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980      *Diplomacy and Nation-Building in Africa* Mélanie Torrent, 2012-04-11 Cameroon stands as a remarkable example of nation building in the aftermath of European domination Split between the French and British empires after World War I it experienced a unique drive for self determination at the turn of the 1960s culminating in both independence from European power and the re unification of two of its divided territories This book investigates the influence of foreign policy on nation building in West Africa in the context of both the Cold War and European integration Shedding fresh light on the challenges of bridging the political economic and linguistic divide that France and Britain had left Melanie Torrent explores the evolution of a nation charting both Cameroon s importance in Franco British relations and Cameroon s use of bilateral and multilateral diplomacy in asserting its independence This work should be essential reading for students of African studies International Relations and the post colonial world      Sub-Saharan Political Cultures of Deceit in Language, Literature, and the Media, Volume II Esther Mavengano, Isaac Mhute, 2023-12-12 This two volume set charts a cross disciplinary discursive terrain that proffers rich insights about deceit in contemporary postcolonial Sub Saharan African politics In an attempt to produce a nuanced and multifaceted academic dialoguing platform the two volumes have a particular focus on the aspects of treachery fear of difference oppositional politics and discourses semiotics of mis self representation The major aim of the proposed volumes is to contribute toward the often problematised conversations about the unfolding post colonial Sub Saharan world which is topical in decolonial and Pan African studies The volumes seek to place political thinking and postcolonial political systems under the scholarly gaze with the view to highlight and enhance the participation of African cross disciplinary scholarship in the postcolonial political processes of the continent Most significantly it is through such probing of the limitations of our own disciplinary perspectives which can help us appreciate the complexity of the postcolonial Sub Saharan African politics The first volume uses Zimbabwe as a case study while the second volume examines postcolonial politics in Sub Saharan Africa more broadly The first volume uses Zimbabwe as a case study while the second volume examines postcolonial politics in Sub Saharan Africa more broadly      **Uncertain Dimensions** Raymond F.
