**God and the Faithfulness of Paul** Christoph Heilig, J. Thomas Hewitt, Michael F. Bird, 2017-04-01 N T Wright's magnum opus Paul and the Faithfulness of God is a landmark study on the history and thought of the apostle Paul. This volume brings together a stellar group of international scholars to critically assess an array of issues in Wright's work. Essays in Part I set Wright in the context of other Pauline theologies. Part II addresses methodological issues in Wright's approach including critical realism, historiography, intertextuality, and narrative. In Part III, on context, scholars measure Wright's representation of early Judaism, Greek philosophy, paganism, and the Roman Empire. Part IV turns to Wright's exegetical decisions regarding law, covenant, and election. The New Perspective, justification, and redemption. Christology, Spirit, eschatology, and ethics. Part V at last speaks to the implications of Wright's work for the church's theology, sacraments, and mission, and for global responsibility in a postmodern age. The volume includes a critical response from Wright himself. **WHY I CAN'T BE:**

*Dictionary of the Apostolic Church* James Hastings, D.D., 1916 Where God's People Are Going, Life Giving Messages Lyle McTeer, 2012-10 For many years the church has prayed for revival to come, never knowing or understanding how God might answer that prayer. Today we are witnessing the greatest shaking that we have ever known, and on a world wide scale. As financial institutions become bankrupt and many lose jobs, land, and homes, the awakening that we once prayed for has come. Everything that can be shaken is, and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope. But what will become of it all, and how will we survive? Where God's People are Going is like an oracle from the Lord. He tells us in His word that My sheep hear My voice, and I know them, and they follow Me. John 10:27. Until we come to know the Lord's voice, our relationship and our knowledge of Him is vague at best. The life giving messages in this book are just that: messages that bring life to dark situations and answers to life's questions about today and what is yet to come. My questions to the Lord often reflect the times in which we live, as I ask the simple question, why?

**Paul and the Faithfulness of God** N. T. Wright, 2013-11-01 This highly anticipated two book fourth volume in N T Wright's magisterial series Christian Origins and the Question of God is destined to become the standard reference point on the subject for all serious students of the Bible and theology. The mature summation of a lifetime's study, this landmark book pays a rich tribute to the breadth and depth of the apostle's vision and offers an unparalleled wealth of detailed insights into his life, times, and enduring impact. **Eerdmans Commentary on the Bible: First and**
