An enlightening book for all readers it enhances geographic know how with good old fashioned fun. Discover who named the kangaroo where can you find Lakers and Salties what chili peppers pineapple chocolate and vanilla have in common where Shangri La was and who was the most successful pirate in the Caribbean. An inveterate traveler and geographer extraordinaire Fuller provides extensive background engaging maps and photos and thorough explanations for each intriguing trivia question. Challenging today's global generation to truly get to know their world his book is a delight to read and an essential antidote to our lack of geographical knowledge.

The Guinness Guide to Nature in Danger Noel Simon, 1993 *The Guinness Book of Music Facts and Feats* Robert Dearling, Celia Dearling, Brian Rust, 1976 This is a book for those interested in the most entertaining aspects of the ever fascinating subject of music. The more unusual features of this enormous field are spiced up by the less well known facts of music and the people who make it. This is thus both a book for the general reader as well as the specialist for some subjects are discussed here for the first time outside of the sober covers of musicological publications. The contents of this book will provide entertaining matter for the concert goer and the record collector facts for the seeker after musical curiosities and much material for musical quizzes.
