Fairport Convention On Track Kevan Furbank, 2020-06-02 Fairport Convention are a great British institution or at least they should be. For more than 50 years they have helped to keep traditional music alive and kicking by injecting it with a healthy dose of electric rock n roll. Their finest albums including *What We Did On Our Holidays* and *Liege And Lief* are landmarks in the development of British music. In this exhaustive and illuminating book Kevan Furbank looks at all the studio albums in detail from their uncertain debut in 1968 to their most recent release celebrating half a century of music making. He chronicles the stories behind each recording, touching on the highs and lows, the successes and tragedies, the pleasure and pain, and examines the songwriting arrangements and traditions that inspired each track. In doing so, he also looks at the contributions made by the many great musicians who have passed through Fairport's revolving door line-ups, including guitar wizard Richard Thompson, angel-voiced Sandy Denny, demon fiddler Dave Swarbrick, and the guru of British folk rock Ashley Hutchings. Fairport Convention's musical story is as dramatic as any soap opera. If you have never heard any Fairport, this book is the perfect introduction. If you have, you will want to go back and revisit the music this band has made over the last 50 years. Because in the words of Richard Thompson, it all comes round again.
