1. What does the duke mean when he says he will call back Hamlet's soliloquy from "recollection's vaults"?
2. Why is the duke's version of Hamlet's soliloquy confusing?
 - Not Hamlet's soliloquy. It contains jumbled lines from several of Shakespeare's plays, and it makes no sense.
3. Who is assigned the role of Juliet in the "Shakespearean Revival"?

struggles the world over aiming at liberty from the foreign yoke have been political in nature and the changes in social institutions if any were only incidental having not been originally designed or at best post independence script In sharp contrast stands the Non violent Non co operation movement launched by Mahatma Gandhi for Swaraj built on the foundation of social reforms HinduMuslim Unity removal of untouchability empowerment of women Swadeshi and adherence to non violence as a policy Phraseology of the Nonco operation movement in itself gives the philosophy purpose and content of the movement However without a serious study of the movement the vital point missed by the people in understanding the movement is that non co operation with the government British Raj presupposed co operation within ourselves the freedom fighters regardless of religion caste or creed This entailed the evolution of the Constructive Programme the programme of action for strengthening and sustaining the movement Attempt has been made in the study to understand how Gandhi succeeded in a short period in bringing much needed solidarity for the movement and Swaraj in the Indian society divided by religion and internal caste conflicts in the majority Hindu community Gandhi era means 1919 1948 because he launched the movement in 1919 which made Mr Gandhi Mahatma Gandhi and 1948 when he fell to an assailant s bullet and was called the Father of the Nation Way back in 1917 he prophetically said that Only if I die for India shall I know that I was fit to live Gandhi era means Gandhi and Gandhi alone in this period A comprehensive study of the entire period was not possible for an old man of 83 years in a short period Therefore the period chosen for this study is 1919 1922 which is the most momentous period of the freedom struggle as also the initial period of the movement to ascertain probability of its success For this purpose this objective driven book has been divided in two parts While the second part deals with the movement in chronological order from the data sieved from the Collected Works of Mahatma Gandhi to show that the movement was not only the brainchild of Gandhi but its course and eventual suspension was also decided by him the second part is more in the nature of analysis for the serious and general readers alike to appreciate objectively the greatness of the leader
