will occur or whether they will occur at all With insightful and broad knowledge of the historical religious and contemporary contexts of these writings distinguished scholar Robert G Clouse guides you through the fascinating and intricate world of apocalyptic literature He examines key verses from Christian and Hebrew scriptures visionary writings from Augustine and other Church Fathers accounts of radical millennial movements of the 1600s bold sermons from preachers such as Jonathan Edwards and Dwight L Moody and popular books circulating in our own day including 1970s prophecy sensation The Late Great Planet Earth and the mega bestselling Left Behind novels Accessible facing page commentary explains the apocalyptic writings for you even if you have no previous knowledge of Christian teachings on the end times Will Christ come on the clouds in power and in judgment Or is it up to us to usher in the golden age of the millennium Or is the millennium spiritual made real only within believers hearts This book will help you understand the complex Christian visions of the end of the world
