The Art Of Rene Lalique:

L'art de René Lalique Christie Mayer Lefkowitz, 2010 En 1907 alors âgé de 47 ans René Lalique 1860-1945 est déjà considéré comme un artiste de renom mondial et comme le plus grand joaillier de son temps. Pourtant cette année-là ses activités prennent un tournant décisif lorsque François Coty lui commande une série de caractères originaux destinés à être imprimés sur les étiquettes de ses flacons. C'est le début d'une seconde carrière qui lui permet de collaborer avec bon nombre d'autres parfumeurs. Encouragé et stimulé par les nouvelles opportunités que lui ouvre cette industrie René Lalique se lance avec enthousiasme dans cette entreprise industrielle et devient rapidement le plus grand artiste verrier du XX^e siècle. Sa créativité révolutionne la parfumerie au point de lever les présentations de parfums et de produits de beauté au rang d'œuvres d'art. Avec cet ouvrage richement illustré Christie Mayer Lefkowitz procède à une analyse approfondie de l'ensemble des créations de René Lalique pour la parfumerie qu'il s'agisse des flacons et des boîtes à poudre commandés par les parfumeurs ou des objets décoratifs destinés à être commercialisés par René Lalique et Cie. L'étendue de son expertise en la matière lui permet de souligner la façon dont René Lalique a su puiser son inspiration dans l'observation de la nature, dans la littérature et auprès de diverses écoles artistiques tout en transcendant ces influences dans sa perspective singulière. Elle rapproche enfin les thèmes et les concepts développés pour l'industrie du parfum de sa production joaillière et de ses autres créations qu'il s'agisse de pièces uniques ou d'objets produits en série.

The Art of René Lalique Patricia Bayer, René Lalique, Mark Waller, 1988 **The Essential** William Warmus, 2003-06-01 The French artist René Lalique 1860-1945 created art notably glass jewelry and architectural decoration so strikingly bold and original that the word Lalique became synonymous with luxury. This is an overview of his work. 60 illustrations **The Art of René Lalique with Illustrations of Some Characteristic Examples of His Work from the Permanent Exhibition at Breves Lalique Galleries** Breves Lalique Galleries, 1932

René Lalique Katie Buckingham, Rachel Belle, 2020 René Lalique Selections from the Steven and Roslyn Shulman Collection introduces the artistic innovations and legacy of renowned French Art Deco artist René Lalique. Born outside of Paris in 1860 Lalique was recognized as one of France's foremost Art Nouveau jewelry designers before turning to the material of glass in the early twentieth century. By the 1920s Lalique's glass artwork embraced the new ideas and technologies that swept the United States and Europe. He brought an artistic aesthetic to new industries such as automotive and electrical products as well as to new clienteles including the rising middle class and the increasingly independent female consumer. His legacy has influenced subsequent generations of designers and artists in particular contemporary artists working in the medium of glass. Lalique's considerable imagination and eye for design is evident in the Steven and Roslyn Shulman Collection, one of the most comprehensive selections of Lalique glass in the United States. The collection features perfume bottles, vases, automobile mascots and a wealth of other objects that exemplify the Art Deco style and celebrate Lalique's sense of design.
