The Art Of The Nude The Life And Works Series:

The Life and Work of Ante Dabro, Australian-Croatian Sculptor Peter Read,2023-12-05 Why does a highly skilled and highly trained sculptor the master of every style and technique insist on working in the style of the Italian Renaissance The answer is that to Dabro every sculpture must speak to humanity which means that it must be an element of humanity If it does not the sculptor has failed Working with female models throughout his long life he has sought to portray an essence of femininity and therefore an essence of humanity Ante Dabro believes that the ability to see what other people don t see is a real gift He says It s like a star wheeling round the earth fertilising the imagination as it goes This book explores the different ways he has liberated an essence of humanity by releasing the soul of a human form from its imprisoning substance whether it be from wood marble stone or plaster The author one of Australia s best known historians and biographers like Dabro wants our imaginations to soar and rejoice in the creative spirit which has driven his sculptures for more than 60years

Incredible Tretchikoff Boris Gorelik, 2013-08-05 Engaging, gripping, more than a biography. Independent SA. Fascinating story of an outsider, excellent. The Witness SA. Full of facts. Sunday Times SA. Gorelik has produced a book that gathers together a wealth of information, raising interesting points on many quite contentious issues. De Arte. Enthralling, highly recommended. Historical Novel Society. This book is highly recommended. Dimitri Tretchikoff. Vladimir Tretchikoff's Chinese Girl is one of the most famous images of all time. Known as the Green Lady, it has been reproduced countless times, appearing everywhere from mugs and T-shirts to pop videos and blockbuster films. Tretchikoff lived a life as colourful as his instantly recognizable paintings. Born to a deeply religious Siberian family, he fought poverty, tragedy, captivity, and near death to become one of the most celebrated artists of his time. Loathed by the critics yet loved by the public, he defied misfortune and a dismissive art establishment to enjoy phenomenal success in Britain, South Africa, Canada, and the United States. Coinciding with the centenary of his birth, Incredible Tretchikoff tells the enthralling story of this flamboyant artist from his humble beginnings to the spectacular highs and lows of his later career. We hear thrilling accounts of his early years as a Russian orphan in Manchuria and his efforts to make his way as a young man in a strange land. In Singapore in the 1930s, he was accepted into the social elite and his art became talk of the town. Meanwhile, he secretly worked for the British Ministry of Information, producing anti-Axis propaganda. But his high living was brought to an abrupt end by the war. He was nearly killed when the Japanese sank the boat on which he was trying to escape. Taken prisoner, he was forced to use his artistic skills for the enemy. Accused by his captors of being a spy, he somehow survived and was eventually reunited with his wife and daughter in Cape Town after the war. Within years, through sheer determination and despite the hostility of the local art community, Tretchikoff had become South Africa's best-selling artist, and his fame had spread across the globe. With the pace and suspense of a novel, Incredible Tretchikoff matches the drama of its subject's extraordinary life. It reveals the adventures that lie behind his most famous pictures while presenting recently uncovered information and previously unseen photographs.
