*Great Power Politics and the Struggle over Austria, 1945-1955* Audrey Kurth Cronin, 2019-01-24 By virtue of its geographical and historical position postwar Austria was condemned to a prominent role in the plans of both the East and the West In this account of an unusual episode in the Cold War Audrey Kurth Cronin examines the negotiations over Austria and the Soviet Union's sudden and surprising decision to withdraw its troops and accept the country as a neutral Western state after having rejected any settlement for eight years Drawing on a wealth of recently declassified British and American documents and on interviews with key Austrian participants Cronin analyzes the events leading up to the 1955 Austrian State Treaty and in the process strengthens our understanding of current East West relations Her account of the creation of a neutral state in the heart of a divided Europe will be important reading for all who are concerned with security affairs international relations and the history of the Cold War      *Austria, 1945-1995* Kurt Richard Luther, Peter Pulzer, 2018-12-13 First published in 1998 This is the only up to date English language work which seeks to assess the whole of the post war Austrian experience in the light of the latest research using a multi disciplinary approach by historians political scientists economists international relations specialists and literary historians It is addressed not only to specialists in Austrian affairs but also to studies and scholars concerned with the evaluation of small democracies their place in an integrated continent and the shape of post Communist Central Europe The formative first few decades of the Second Republic are reassessed in four contributions analysis of the key actors and events involved in the genesis of post war state of the activities of Karl Renner's first coalition government of how tensions regarding Austrian identity were played out in post war literature and of the competing domestic and superpower perceptions of Austria's fledgling neutrality      **Tax Administration 2015**

**Comparative Information on OECD and Other Advanced and Emerging Economies** OECD, 2015-08-11 Tax Administration 2015 is a comprehensive survey of tax administration systems practices and performance across 56 advanced and emerging economies including all OECD EU and G20 members      *Austria in the European Union* GÃ¼nter Bischof, Anton Pelinka, Michael Gehler, Austria joined the European Union in 1995 with the overwhelming support of its citizenry In June 1994 a record 66.6 percent of the Austrian population voted in favor of joining the Union and Austria acceded on January 1 1995 Only three years later in the second half of 1998 Austria assumed its first presidency of the European Union Its competent conduct of the Union's business enhanced its reputation The sense that Austria was a role model collapsed overnight after a new conservative People's Party VP FP coalition government was formed in Austria in early February 2000 Austria became Europe's nightmare This volume has two purposes The first is to assess Austria's first five years in the European Union The second is Austria's ongoing struggle with its past Heinrich Neisser evaluates and assesses

Austria's commitment to the European Union Thomas Angerer offers a long term perspective of regionalization and globalization trends in Austrian foreign affairs Waldemar Hummer analyzes contradictions between Austrian neutrality and Europe's emerging common security policy Johannes Pollak and Sonja Puntischer Rieckmann look at current debates over weighing future voting rights in the European Commission Michael Huelshoff evaluates Austria's EU presidency in 1998 and compares it to the subsequent 1999 German presidency Gerda Falkner examines the withering away of the previously much admired Austrian welfare state Walter Manoschek scrutinizes the Nazi roots of Jorg Haider's Freedom Party Michael Gehler critiques the EU sanctions and bemoans the absence of mediation through transnational Christian conservative parties In reviewing how Austria deals with World War II Richard Mitten investigates discourses on victimhood in postwar Austria and the place of Jews in this process A Roundtable presents overwhelming evidence of Austrians deep involvement in Nazi war crimes and includes articles by Sabine Loitfellner and Winfried Garscha This addition to the Contemporary Austrian Studies series will be welcomed by political scientists historians and legal scholars particularly those with a strong interest in European affairs Gnter Bischof is professor of history and executive director of the International Studies Center at the University of New Orleans Anton Pelinka is professor of political science at the University of Innsbruck and director of the Institute of Conflict Research in Vienna Michael Gehler is professor of contemporary history at the University of Innsbruck Austria in the European Union is a highly detailed expertly researched blend of history economics and a calculating appraisal of a nation's future within the context of the evolving European international collaboration Austrian in the European Union is strongly recommended for European Studies Political Studies and International Relations supplemental reading lists and academic reference collections The Midwest Book Review

**The Structure of Production** Mark Skousen, 2017-12-12 In 2014 the U S government adopted a new quarterly statistic called gross output GO the most significance advance in national income accounting since gross domestic product GDP was developed in the 1940s The announcement came as a triumph for Mark Skousen who advocated GO nearly 25 years ago as an essential macroeconomic tool and a better way to measure the economy and the business cycle Now it has become an official statistic issued quarterly by the Bureau of Economic Analysis at the U S Department of Commerce In this new revised edition of Structure of Production Skousen shows why GO is a more accurate and comprehensive measure of the economy because it includes business to business transactions that move the supply chain along to final use GDP measures the value of finished goods and services only and omits B to B activity GO is an attempt to measure spending at all stages of production Using GO Skousen demonstrates that the supply side of the business spending is far more important than consumer spending is more consistent with economic growth theory and a better measure of the business cycle
