The Avon Man:

The Avon Man Dave Vaughan,1999 **Niles' National Register** ,1816 **Stonehenge People** David Beeson,2020-05-31 Stone age adventure Prepare yourself for time travel You are leaving the electronic world the age of combustion engines wheeled transport and arriving in the late Neolithic the Stone Age A time before metal was known in the British Isles and even horses were rare Yet the people living in and around Stonehenge were just as human as we are today with loves conflicts and lives to lead The book accurately follows the phases in the development of Stonehenge *A Woman Named Drown* Padgett Powell,2013-09-10 DIVHailed by Time as an extravagantly comic novel A Woman Named Drown is a wild and strange journey through America s South that follows a young PhD dropout who falls in with an amateur actress cum pool shark divDIV divDIV On the brink of earning his doctorate in chemistry the unnamed narrator decides to chuck it all away in favor of real life So begins an odd pilgrimage through the American South In Tennessee our hero is bewitched by an older gin swilling pool playing sometimes actress who claims to have recently starred in a theatrical production about a woman named Drown He moves in with her and just as quickly begins encountering her strange compatriots Before he knows it they re heading farther south together to Florida where the data that the dropout scientist is collecting from life s laboratory is about to get quite contradictory div Richly influenced by offbeat literary giant Donald Barthelme Padgett Powell s A Woman Named Drown offers readers a smorgasbord of literary strangeness a surreal series of adventures in which nothing much and yet everything happens at once **Picking the Ballad's Bones** Elizabeth Ann Scarborough,2010-10 The ancient ballads of England Scotland and Ireland are great stories to visit but nobody in their right mind would want to live there There s a high body count for every ballad and a happy ending usually involves boy meets girl and they end up sharing a grave The musicians who go to retrieve the songs with the help of the magic banjo Lazarus know this but the fact is the songs also contain a great deal of magic useful in defeating the devils who are out to dehumanize humanity by stealing the music The Queen of the Fairies aka the Debauchery Demon Torchy Burns makes them a deal they can t refuse and the reluctant heroes find themselves thrust into the lives and deaths of ballad people they know are going to end badly It s enough to make a picker take up accounting **Shakespeare Was a Woman and Other Heresies** Elizabeth Winkler,2024-04-23 A delightful romp through the Shakespeare authorship question exploring how doubting that William Shakespeare wrote the plays attributed to him became an act of blasphemy and who the Bard might really be *Dead Man's Dancer* Tom Brennan,2015-07-05 Mechele is young attractive and looking to cash in on her aesthetic assets when she moves from New Orleans to Alaska in 1994 to earn money for college tuition Her charms ensnare the affections of three men and the combined effects of jealousy lust and greed take a deadly turn in this true crime story Before a murder in the woods shatters her contented life Mechele works as an exotic dancer at the Alaska Bush Company where she spends her days pleasing a procession of hard working men John Scott and Kent are simultaneously smitten with Mechele and offer affection

in the form of lavish gifts and ultimately engagement rings While the three men begin their affairs on the same path violent murder blasts apart their parallel lives One of the trio is shot in the back another is accused of the murder Dead Man s Dancer follows this murder case from 1996 throughout Mechele s tumultuous trial in 2006 that becomes a nationwide sensation Shocking in its detailed portrayal of murder and convoluted love affairs Dead Man s Dancer excites horror in readers that lingers far after the last page is turned

Shakespeare's Ghost Writers Marjorie Garber,2020-11-25 The plays of Shakespeare are filled with ghosts and ghost writing Shakespeare s Ghost Writers is an examination of the authorship controversy surrounding Shakespeare the claim made repeatedly that the plays were ghost written Ghosts take the form of absences erasures even forgeries and signatures metaphors extended to include Shakespeare himself and his haunting of us and in particular theorists such as Derrida Marx Nietzsche and Freud the figure of Shakespeare constantly made and remade by contemporary culture Marjorie Garber one of the most eminent Shakespearean theorists writing today asks what is at stake in the imputation that Shakespeare did not write the plays and shows that the plays themselves both thematize and theorize that controversy This Routledge Classics edition contains a new preface and new chapter by the author

Profiling Shakespeare Marjorie Garber,2008-03-25 The title of this collection Profiling Shakespeare is meant strongly in its double sense These essays show the outline of a Shakespeare rather different from the man sought by biographers from his time to our own They also show the effects the ephemera the clues and cues welcome and unwelcome out of which Shakespeare s admirers and dedicated scholars have pieced together a vision of the playwright whether as sage psychologist lover theatrical entrepreneur or moral authority This collection brings together classic pieces hard to find chapters and two new essays Here Garber has produced a book at once serious and highly readable ranging broadly across time periods early modern to postmodern and touching upon both high and popular culture Contents Preface 1 Shakespeare s Ghost Writers 2 Hamlet Giving Up the Ghost 3 Macbeth The Male Medusa 4 Shakespeare as Fetish 5 Character Assassination 6 Out of Joint 7 Roman Numerals 8 Second Best Bed 9 Shakespeare s Dogs 10 Shakespeare s Laundry List 11 Shakespeare s Faces 12 MacGuffin Shakespeare 13 Fatal Cleopatra 14 What Did Shakespeare Invent 15 Bartlett s Familiar Shakespeare

The Working Man's Reward Elaine Lewinnek,2014 Between the 1860s and 1920s Chicago s working class immigrants designed the American dream of home ownership They imagined homes as small businesses homes that were simultaneously a consumer oriented respite from work and a productive space that workers hoped to control Leapfrogging out of town along with Chicago s assembly line factories Chicago s early suburbs were remarkably diverse These suburbs were marketed with the elusive promise that homeownership might offer some bulwark against the vicissitudes of industrial capitalism that homes might be better than a bank for a poor man in the words of one evocative advertisement and the working man s reward This promise evolved into what Lewinnek terms the mortgages of whiteness the hope that property values might increase if that property could be kept white Suburbs also developed through nineteenth century notions of the gendered

respectability of domesticity early ideas about city planning and land economics as well as an evolving twentieth century discourse about the racial attributes of property values Because Chicago presented itself as a paradigmatic American city and because numerous Chicago based experts eventually instituted national real estate programs Chicago s early growth affected the growth of twentieth century America Framed by two working class riots against suburbanization in 1872 and 1919 spurred from both above and below this work shows how Chicagoans helped form America s urban sprawl and examines the roots of America s suburbanization synthesizing the new suburban history into the diversity of America s suburbs
