The Awakening An Evolutionary Leap In Human Consciousness:

The Awakening Simon Stanier, 2023-07-18 In *The Awakening* join Erik Sigismund a king thrust into the mysterious realms of Valhalla after a tragic confrontation with the malevolent White Circle As he grapples with the loss of his family Erik finds himself surrounded by an eclectic group of otherworldly heroes including Moloch Dagon Chemosh and Jophiel Their quest takes a treacherous turn as they face the enigmatic Drawngir a creature of darkness threatening to plunge Valhalla into eternal despair Armed with a legendary silver sword Erik must navigate alliances test friendships and make sacrifices that will shape the destiny of Valhalla As the group battles the Drawngir the echoes of earlier conflicts with the White Circle and Lord Slange reverberate through the narrative The shadow of past betrayals and the weight of a kingdom lost add layers of complexity to Erik's journey Will he rise to the challenges presented in Valhalla or will the sins of his past prove insurmountable *The Awakening* is an epic fantasy that seamlessly weaves together elements of mythology magic and the indomitable spirit of a warrior king With each turn of the page readers will be transported to a world where the line between reality and the supernatural blurs and where the awakening of Erik Sigismund hints at even greater challenges awaiting in the next thrilling instalment Prepare for a tale of courage sacrifice and the boundless mysteries that lie beyond the realms of the known

The Awakening Steven S. Sadleir, 1992 *The Awakening Earth* Peter Russell, 2019-06-07 Originally published in 1982 *The Awakening Earth* explores the idea of the Earth as a collective self-regulatory living organism and considers in this context the function of the human race The book provides an exploration of humanity's potential and explores the possibility of mankind's evolutionary future Drawing on the work of physicists psychologists philosophers and mystics the book argues that humanity is on the verge of another evolutionary leap and explores evolution in the context of spiritual growth arguing that widespread inner awakenings could lead to a more analogous society functioning as a single social super organism much in the way cells in a body function as a biological organism [The Evolutionary Leap to Flourishing Individuals and Organizations](#) Center for Evolutionary Learning, 2017-09-19 The last thing the world needs is yet another book delineating business-induced dangers and damages such as environmental disasters social inequalities and unethical conduct And yet success in achieving sustainable growth whether for the individual organization or the social community has mostly eluded us Just as a compass needle moves to magnetic north our deeply seated behaviours push us back to practices that are familiar and comfortable even when we have sought to make a change to act in ways that are more sustainable How can we generate this deep and durable change in our values and beliefs and thus both in our individual and collective decisions and behaviour at work How can we unveil the best of our human qualities by learning to raise our consciousness to a more profound perception of ourselves and our relationship with the whole And what if such a change could lead to an evolutionary leap to a lasting flourishing state for us and for our organizations This book describes how this shift in mindset and consciousness level can and has indeed taken place in organizations using meditative practice not only

for individual wellbeing which is now well understood but also for deep transformational change Through this shift we can move past a definition of sustainability as mere resource efficiency and long term survival to one of sustainability as flourishing This book challenges many pre conceived ideas about what a sustainably successful organization is and how it should be run Based on a growing body of evidence from neuroscience to business research it maps out a path to empower all who wish to undertake this journey towards the realization of the highest potential in ourselves our organizations and our social and natural world

Conscious Evolution Barbara Marx Hubbard, 2010-10-14 Outlining the new worldview of conscious evolution futurist Barbara Marx Hubbard has written a call to action for our current generation to fulfill its creative potential She defines conscious evolution as the awareness that humans have gained the power to affect our own evolution and she asserts that we must quickly become capable of wise and ethical guidance of evolution itself if life on earth is to survive Only in the last fifty years have we gained the scientific and technological power to destroy or enhance the planet's life support system Our generation has the ability to abuse or conserve these powers to act in a way as co creator Conscious Evolution reveals the path of the co creator born out of these powers and society's new spirituality and discusses the tools and opportunities that each of us has to fully participate in this exciting stage in history

Secrets of the Holy Lance Jerry E. Smith, George Piccard, 2005 Neither debunking nor worshipping Smith pierces the veil of myth and mystery around the Holy Lance the spear that pierced the side of Jesus Christ on the cross Illustrations

Awakening the Planetary Mind Barbara Hand Clow, 2011-09-21 Completing our conscious evolution by releasing our collective fear of catastrophes Explains how we are on the cusp of an era of incredible creative growth Shows how we are about to overcome the collective fear caused by ancient catastrophes as we awaken to the memories of our lost prehistory Examines legendary cataclysms and scientific evidence of a highly advanced global culture that disappeared 11 500 years ago In this completely revised and expanded edition of Catastrophobia bestselling author Barbara Hand Clow explains how we are on the cusp of an age of incredible creative growth made possible by restoring our lost prehistory Examining legendary cataclysms such as the fall of Atlantis and the biblical Flood and the mounting geological and archaeological evidence that many of these mythic catastrophes were actual events she reveals the existence of a highly advanced global maritime culture that disappeared amid great earth changes and rising seas 14 000 to 11 500 years ago nearly causing our species extinction and leaving humanity's collective psyche deeply scarred Tracing humanity's reemergence after these prehistoric catastrophes Clow explains how these events in the deep past influence our consciousness today Guided by Carl Johan Calleman's analysis of the Mayan Calendar she reveals that as the Earth's 26 000 year precessional cycle shifts our evolution is accelerating to prepare us for a new age of harmony and peace She explains how we are beginning a collective healing as ancient memories of prehistory awaken in our minds and release our unprocessed fear Passed from generation to generation this fear has been responsible for our constant expectations of apocalypse She shows that by remembering and moving beyond the trauma of

our long lost past we bring the era of cataclysms to an end and cross the threshold into a time of extraordinary creative activity

The Mystery of 2012 Various Various Authors, 2009-01-01 Are we coming to the end of a cosmic cycle Will there be an age of awakening or even an end to the world we know For the first time the leading authorities on the 2012 phenomenon are all given voice in a single book The Mystery of 2012 From the prophecies of the Mayan astronomers to modern predictions about social ecological and spiritual changes to our world this comprehensive anthology offers you a chance to examine the mystery from every angle and to decide for yourself whether 2012 will end with a whimper or a bang Whether you re a skeptic a true believer or simply 2012 curious here is a thought provoking exploration of this approaching landmark in human history The book includes essay by the following list of scholars scientists philosophers and cutting edge thinkers Arjuna Ardagh Jos Arg elles PhD Gregg Braden Carl Johan Calleman PhD Gill Edwards Jean Houston PhD Barbara Marx Hubbard Janosh John Major Jenkins Lawrence E Joseph John Lamb Lash Ervin Laszlo Llewellyn Vaughan Lee PhD Meg Blackburn Losey PhD Joanna R Macy PhD Karl Maret MD Corinne McLaughlin James O Dea Christine Page MD John L Petersen Daniel Pinchbeck Sharron Rose Peter Russell Robert K Sitler Geoff Stray Jay Weidner *Till death rips us apart* Gábor Vona, 2022-08-27 In this book I am searching for the why of human culture Not what we do not how but why In my work I have tried to incorporate the findings of many disciplines into my cultural history model but I have really brought together five things my studies in history my political experiences existential psychology terror management theory and network theory Adam and Eve took a bite of the forbidden fruit and now we know what became of it But what if Adam and Eve return to Paradise after a long wander and there is nothing there In fact it turns out there never was It turns out they made it all up What does that imply Well that is the most important question of the twenty first century Awakening Into Oneness Arjuna Ardagh, 2009-10-29 A fascinating discovery in southern India has caught the attention of spiritual teachers from every tradition leaders from around the world and millions more It is the phenomenon called the Oneness Blessing known as deeksha in India a powerful transfer of energy believed to elicit the realization of unitive consciousness Awakening into Oneness tells the remarkable story of this radical new gateway to personal and global transformation Writes author Arjuna Ardagh The Blessing can precipitate a shift toward a completely different state of consciousness where the sense of me as a separate entity dissolves What remains is a simple and direct realization of Oneness unclouded by the conceptual mind something so profound and glorious that it defies logical description Oneness is the heart s deepest longing the song of the ages What is it about the Oneness Blessing that has ignited the hearts of so many You ll find the answer here in Awakening into Oneness The Soul Whisperer J. M. Harrison, 2016-02-26 Following personal tragedies and spiralling financial problems Londoners Alex and Sara are desperate to find ways to rediscover their zest for life A free holiday provides the perfect opportunity for a second chance but not long after arriving in France they discover that all is not what it seems A series of shocking revelations challenge their understanding of humanity as they are propelled into a dangerous world

governed by a ruthless occult society Magical relics and extra terrestrial objects promise to unlock incredible secrets but what extremes will people go to in order to attain them In a modern day spiritual quest Alex and Sara will be forced to take control of their destiny facing their own demons along the way as time counts down for them and the entire human race

The Living Universe Duane Elgin,2009-04-01 By the bestselling author of Voluntary Simplicity over 150 000 sold Brings together cutting edge science and ancient spiritual wisdom to demonstrate that the universe is a living sentient system and that we are an integral part of it Explores the power of this new paradigm to move humanity toward a sustainable and promising future Science has traditionally regarded the universe as mostly made up mostly of inert matter and empty space At one time this point of view was liberating part of the Enlightenment born rationalism that helped humanity free itself from superstition and fear and achieve extraordinary intellectual and technological breakthroughs But this paradigm has outlived its usefulness It has led to rampant materialism and environmental degradation if the universe is essentially dead and we are alive then the inanimate stuff of the universe should be ours to exploit But we now know that not only is the view of a dead universe destructive it is also inaccurate and misleading In The Living Universe Duane Elgin brings together evidence from cosmology biology physics and even his participation in NASA sponsored psychic experiments to show that the universe is permeated by a living field and that we are always in communion with that field of aliveness whether we are conscious of it or not This is a world view that as Elgin explains is shared by virtually every spiritual tradition and the implications of it are vast and deep In a living system each part is integral to the whole so each of us is intimately connected to the entire universe Elgin eloquently demonstrates how our identity manifests itself on a whole series of levels from subatomic to galactic We are he writes far more than biological beings we are beings of cosmic connection and participation To confront our ongoing planetary crisis of dwindling resources and escalating conflict we need to move past an ideology of separation competition and exploitation Duane Elgin asks us to see humanity sharing in the same field of aliveness to discover how to live

sustainably and harmoniously within the living universe **Radical Awakening** Amoda Maa Jeevan,2016-03-15 Revised New Edition of How to Find God in Everything published in 2008 We are all looking for meaning among the chaos that is modern life When we look around it is all too easy to see a world that is spiralling out of control but if we can make changes to our own perceptions changing our own reality we can start to make a genuine difference to the world around us We can turn suffering to joy and terror to peace by opening ourselves up to the concept of fulfilling our own potential To do this we must see that everyone and everything is a manifestation of God or Awakeness Presence or Being that everyone and everything is one with the divine and at every moment we can make the choice of what we let ourselves feel If we can learn to use this control in every area of our lives from how we eat move breathe think and feel to how we relate to one another our work our finances and our creativity we can change not just our own lives but also the world we live in Written in a lively engaging and very accessible style that sparkles with clarity and grace Amodaexplains her use of the word God in this

context and the book reflects the important changes in Amoda's teaching in recent years as her own awakening has evolved Beautifully presented and practical as well as inspiring this is a brilliant introduction to the world of non duality non separation and our intrinsic oneness and supports the reader on their path to inner joy and freedom No amount of fighting to save the whales or singing for world peace will ultimately create a harmonious humanity if we are still divided within If you have not fully embraced yourself then how can you fully embrace the world **Sunrise** Andreas Budz,2025-08-12 Have you ever wondered how something as incomprehensible as creation can even exist How does it all actually work What is your place in this infinity And can this feeling of inner vastness and unlimited freedom that you may have experienced before become a permanent part of your life Andreas Budz answers the latter question with a loud and clear yes because he considers it nothing less than our birthright The path to get there is long of course and no one but you can walk it Your guide to conscious living wants to stand by your side To get there you need an answer to the most important question of your life That question is Who am I really **F'D Wide Open** Marja West,2014-11-22 Now more than ever Divine Love and Spiritual Awakening are essential to the survival of humanity In this fast paced world of techie toys instant messages unconscionable greed appalling indifference and unspeakable violence it is the Heart Based New Humanity leading the way to conscious awareness Ignoring life's intense ups and downs is no longer an option In Fd Wide Open author Marja West explores the challenges of living life while developing Divine Love in our relationships and facing the horrors of today's world She addresses the dark feelings thoughts and triggers we work so hard to ignore or deny West provides a no holds barred boot camp offering practical no nonsense advice and embodied advanced spiritual wisdom of the highest order This guide seeks to help you remember who and what you are one of the grand creators and the free energy source of the Universe You can reclaim the depths of your Divine Nature as a creator of reality and allow enlightenment to illuminate your path of evolutionary growth change and expansion Invite the Divine to live in you Fd Wide Open can show you how **Beyond the Known: AI and the Mystery of Human Existence** ARTIOM PODGURSCHI,2025-05-30 What is the soul Can artificial intelligence touch the infinite Beyond the Known AI and the Mystery of Human Existence is a poetic and philosophical journey through the frontiers of science technology and consciousness Merging cutting edge AI theories with ancient spiritual questions this book explores life memory time and the boundless reach of awareness This is not a manual It is a mirror held to humanity by its own creation **The Global Nexus 2025** Dr. Pratisha Kumari,Dr. J P Dash ,Dr. Sandhya M. Religion and Spirituality in the Life Cycle
James Gollnick,2005 In recent years profound changes have affected the way people view the role of religion and spirituality in the life cycle For many people spirituality always considered an essential part of religion has become an interest no longer tied to organized religion This book addresses the evolving relationship of spirituality to religion in our time and the consequences of this change for understanding personality development It also applies the concept of implicit religion to show how the least easily observed aspects of religion are at work in the growth of personality

11 Days at the Edge
Michael,2008-06-01 Revolutionary idealist and vocal cultural critic Andrew Cohen promotes a new spiritual paradigm in this exploration of a true visionary s controversial school of thought Though Cohen was once a teacher of personal enlightenment he now quests for a joint spiritual longing and humanitarian love two forces that enable and empower each other to the point where enlightenment becomes evolution Uncompromising in his call for human transformation Cohen is presented as an illustrious spiritual figure whose liberated consciousness and ruthless deconstruction of the culture around him have kept everyone talking in 2004 he was invited to address the Parliament of World Religions an unusual honor for a man buoyed by no established spiritual tradition and unyielding in his demand for integrity

Gay Spirituality Toby Johnson,Edwin Clark Johnson,2004 In this award winning title Johnson explores how the rise of gay identity their ability to step outside the conventions of culture and see things from a different point of view has become an important part of religious development
