

The Ayatollah

Steve Zacharias

The Ayatollah:

The Ayatollah Begs to Differ Hooman Majd, 2009-07-28 Including a new preface that discusses the Iranian mood during and after the June 2009 presidential election and subsequent protests this is an intimate look at a paradoxical country from a uniquely qualified journalist The grandson of an eminent ayatollah and the son of an Iranian diplomat Hooman Majd offers perspective on Iran's complex and misunderstood culture through an insightful tour of Iranian culture introducing fascinating characters from all walks of life including zealous government officials tough female cab drivers and open minded reformist ayatollahs It's an Iran that will surprise readers and challenge Western stereotypes A Los Angeles Times and Economist Best Book of the Year With a New Preface *The King* Kader Abdolah, 2015-10-27 A hypnotic page turner about the grinding gears of historical change and ruthless palace intrigue in Persia c 1848 The King young Shah Naser takes to the throne of Persia at a turning point of history he inherits an enchanted medieval world of harems eunuchs and treasures as well as a palace of secret doors sudden deaths and hidden agendas Within the court is danger enough outside all manner of change threatens industrialization colonization Russia and England conspire to open the King's empire his mother and his vizier take opposing sides The poor King almost an exact contemporary of Queen Victoria is trapped He likes some aspects of modernity electricity photography but can't embrace democracy He must be a sovereign he must keep his throne The King cannot face change and he cannot escape it With this gleaming and seemingly simple story breathlessly paced and beautifully told Kader Abdolah the acclaimed Iranian migr novelist speaks of deeper truths A novel which has many timely things to say about eras of change and upheaval The King is an unforgettable book *Complete Idiot's Guide to Understanding Iran* Joseph Tragert, 2003 The Complete Idiot's Guide to Understanding Iran explores the country's origins from its long and turbulent beginnings as ancient Persia and its transformation into modern Iran The author covers the rise of the Ayatollahs and Islamic fundamentalism the 1979 revolution and the subsequent hostage crisis the Iran Iraq war the Iran Contra scandal during the Reagan administration Iran's sponsorship of terrorist groups such as Hezbollah and Hamas and how evidence of Iran's nuclear weapons program affects its relationship with the world in general both now and in the years to come With a younger generation now chafing under the hard line mullahs social repression the situation grows more volatile each day The Complete Idiot's Guide to Understanding Iran will be a detailed comprehensive and unbiased overview of this complex but often fascinating land **Mike Royko: The Chicago Tribune Collection 1984-1997** Mike Royko, 2014-11-04 Mike Royko The Chicago Tribune Collection 1984-1997 is an expansive new volume of the longtime Chicago news legend's work Encompassing thousands of his columns all of which originally appeared in the Chicago Tribune this is the first collection of Royko work to solely cover his time at the Tribune Covering politics culture sports and more Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man Organized chronologically these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small minded in our

society From cagey political points to hysterical take downs of meatball sports fans Royko s writing was beloved and anticipated anxiously by his fans In plain language he tells it like it is on subjects relevant to modern society In addition to his columns the book features Royko s obituary and articles written about him after his death telling the tale of his life and success This ultimate collection is a must read for Royko fans longtime Chicago Tribune readers and Chicagoans who love the city s rich history of dedicated and insightful journalism

The Brink Steve Zacharias, The Brink is a fun and action packed novel with a hip contemporary tone that brings to mind a global espionage mashup of Kill Bill and Sucker Punch With its larger than life female protagonist and its highly stylized version of global geopolitics this is not a story that is intended to be taken too seriously It is like a broad cartoon portrayal but a smart and sophisticated one with plenty of glam set pieces and contemporary pop culture references Creative Artist Agency

The Complete Idiot's Guide to Understanding Iraq Joseph Tragert,2003 Reviews the history of Iraq since biblical times recounts the rise of Saddam Hussein and discusses the Gulf War its aftermath and possible future developments

The House of the Mosque Kader Abdolah,2020-01-16 This beautifully written international bestselling novel charts the triumphs and tragedies of an Iranian family on the brink of national revolution Daily Mail UK Senejan Iran 1969 The family of Aqa Jaan has lived for eight centuries in the house of the mosque Now it is occupied by the families of three cousins Aqa Jaan a merchant and head of the city s bazaar Alsaberi the imam of the mosque and Aqa Shoja the mosque s muezzin The house itself teems with life as each of their families grows up with their own triumphs and tragedies Sadiq is waiting for a suitor to knock at the door to ask for her hand while her two grandmothers sweep the floors each morning dreaming of travelling to Mecca Meanwhile Shahbal longs only to get hold of a television to watch the first moon landing All these daily dramas are played out under the watchful eyes of the storks that nest on the minarets above But this family will experience upheaval unknown to previous generations For in Iran political unrest is brewing The shah is losing his hold on power the ayatollah incites rebellion from his exile in France and one day the ayatollah returns The consequences will be felt in every corner of Aqa Jaan s family Abdolah s is a powerful voice The Times Saturday Review UK

The Temple Mount Code Charles Brokaw,2024-10-08 An old friend summons dashing linguistics professor Thomas Lourds to Jerusalem to examine an ancient text But Iran s Supreme Leader Ayatollah Ali Khamenei also wants the same document Khamenei and many others believe that the book contains a secret that will allow its owner to rule all of Islam and wage a Global Jihad the likes of which has never been seen before Arriving in Jerusalem Lourds discovers that his friend has been murdered and his apartment ransacked With the help of Miriam Abata a beautiful Iranian American Jewish graduate student he races against the clock to seek the dangerous document Lourds seeks to save civilization while his enemies hope to destroy it Continuing the New York Times bestselling series that includes The Atlantis Code and The Lucifer Code The Temple Mount Code will appeal to readers interested in history and treasure hunting in the Holy Land and is perfect for fans of Dan Brown Brad Meltzer James Rollins and Steve Berry

New York Magazine ,1979-12-10 New York

magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Furnaces of the**

Apocalypse Alberto Trevin,2017-07-26 The Furnaces of The Apocalypse is the first of a three part saga which starts with a major terror plot that sets off an apocalyptic domino effect worldwide Late in 2008 as the American economy teeters on the edge of financial disaster an extremist group and an enemy state abroad have taken notice and join forces to bring down its bitter enemy while it is vulnerable With financial problems of their own and dissidence the two collude to land a decisive blow which they hope will eliminate their American problem once and for all When the major terrorist attack is discovered by American intelligence the directors of the Central Intelligence and National Security Agencies have an idea of their very own To go through with it they look to persuade an unpopular President to play along with the plot and thus exploit a potential situation which might help sway popular opinion in favor of him and justify the lighting of the lucrative furnaces of the apocalypse After they fail they go after the next best alternative a money deprived military The military plays along but not before the controlled attack goes very wrong and all are left scrambling and looking for answers all except for one who has apocalyptic plans of his own The attack finally persuades the American president to go after the perpetrators for an inevitable showdown with a very powerful Middle Eastern country **The Lonely War** Nazila Fathi,2014-10-14 In the

summer of 2009 as she was covering the popular uprisings in Tehran for the New York Times Iranian journalist Nazila Fathi received a phone call They have given your photo to snipers a government source warned her Soon after with undercover agents closing in Fathi fled the country with her husband and two children beginning a life of exile In The Lonely War Fathi interweaves her story with that of the country she left behind showing how Iran is locked in a battle between hardliners and reformers that dates back to the country s 1979 revolution Fathi was nine years old when that uprising replaced the Iranian shah with a radical Islamic regime Her father an official at a government ministry was fired for wearing a necktie and knowing English to support his family he was forced to labor in an orchard hundreds of miles from Tehran At the same time the family s destitute uneducated housekeeper was able to retire and purchase a modern apartment all because her family supported the new regime As Fathi shows changes like these caused decades of inequality especially for the poor and for women to vanish overnight Yet a new breed of tyranny took its place as she discovered when she began her journalistic career Fathi quickly confronted the upper limits of opportunity for women in the new Iran and earned the enmity of the country s ruthless intelligence service But while she and many other Iranians have fled for the safety of the West millions of their middleclass countrymen many of them the same people whom the regime once lifted out of poverty continue pushing for more personal freedoms and a renewed relationship with the outside world Drawing on over two decades of reporting and

extensive interviews with both ordinary Iranians and high level officials before and since her departure Fathi describes Iran's awakening alongside her own revealing how moderates are steadily retaking the country

The Department of State Bulletin, 1980 The official monthly record of United States foreign policy

The Fiction of Nationality in an Era of Transnationalism Nyla Ali Khan, 2013-10-15 The book focuses on the representation of South Asian life in works by four Anglophone writers V S Naipaul Salman Rushdie Amitav Ghosh and Anita Desai Concentrating on the intertwined topics of nationalism transnationalism and fundamentalism the book addresses the dislocation associated with these phenomena offering a critical dialogue between these works and contemporary history using history to interrogate fiction and fiction to think through historical issues Despite all their differences the works of these authors delineate the asymmetrical relations of colonialism and the aftermath of this phenomenon as it is manifested across the globe The binary structures created by the colonial encounter undergo a process of dialectical interplay in which each culture makes incursions into the other This dialogic interplay becomes the basis for strategies that enable transnational and postcolonial writers to reimagine themselves and their world The book shows for instance how Naipaul articulates a sensibility created by multilayered identities and the remapping of old imperial landscapes in the process suggesting a new dynamic of power relations in which politics and selfhood empire and psychology prove to be profoundly interrelated how Rushdie encourages a nationalist self imagining and a rewriting of history that incorporate profound cultural religious and linguistic differences into our sense of identity how Ghosh is critical of the putative cultural and religious necessity to forge a unified nationalist identity arguing that no single theory sufficiently frames the multiple inheritances of present diasporic subjectivities and how Desai seeks to imagine a responsible form of artistic social and political agency Although transnationalism then can have positive effects which have been celebrated in terms such as hybridity the book suggests why this sort of term too cannot be a stopping place for our thinking about a world radically transformed by postcolonial struggles

Let Not Man Put Asunder: The Enoch Chronicles G.D. Kessler, 2018-01-31 Danny and Donny Ronson identical twins from an Asian Mother and African American Father were never closer than when they attended Stanford University together They may not have been the best students but they did know how to party and they did know how to pass tests Their ability to share their thoughts and communicate sub vocally was a great help Owing a large sum of money to one of the campus drug pushers they volunteer to take a test that pays for participation It is a study designed to reveal and measure telepathic ability They are the only candidates to ace the test The CIA is notified and sends a team to kidnap them The CIA have their own agenda And thus starts the Ronson twins strange and harrowing journey

The Lucifer Principle Howard K. Bloom, 1997 Bloom draws an analogy between the biological material whose primordial multiplication began life on earth and the ideas or memes that define give cohesion to and justify human superorganisms

The Thousand and One Borders of Iran Fariba Adelkhah, 2015-09-16 A country marked by controversy Iran's social cultural and political dynamics are too often reduced to a few misleading clichés Islamism

is widely considered to shape all social relations in Iranian society and while Iranian society is indeed Islamic this term's multiple meanings in everyday life and practices go far beyond the naive and monolithic idea we are used to. The Thousand and One Borders of Iran analyses travel as a social practice exploring how diasporas' margins and so-called peripheries are central in the construction of a national identity and thus revealing the complexities of Iranian history and society. Written by a leading anthropologist, it draws upon fieldwork carried out in Iran and Iranian migrant communities across Dubai, Tokyo and Los Angeles from 1998 to 2015. While casting new perspectives on the place of transnational relations in an increasingly globalized world, this work also sheds new light on the evolution of Iranian society, countering the explanation furnished by nationalist ideology that has been reproduced by the Islamic Republic itself. Its unique approach to the analysis of Iranian society through the theme of travel and borders considers the links and even the quarrels between the centre of Iranian society and the periphery and the foreign elements that have contributed to society's development. Travel is key to these interactions and following the travels of merchants and workers, students or the faithful, elected officials and experts or exiles and refugees, this book offers an anthropological study of travel that rethinks Iranian history and national identity. This book would be of interest to students and scholars of Iranian Studies, Middle Eastern Studies and Anthropology. *The Clergy and the Modern Middle East* Mohammad R. Kalantari, 2021-09-23. The Shi'i clergy are amongst the most influential political players in the Middle East. For decades, scholars and observers have tried to understand the balance of power between Shi'i quietism and activism. The book is based on exclusive interviews with high-profile Shi'i clerics in order to reveal how the Shi'i clerical elite perceives its role and engages in politics today. The book focuses on three ground-breaking events in the modern Middle East: the 1979 Islamic Revolution in Iran, the 2003 Iraq War and the 2006 July war in Lebanon. By examining the nature and evolution of a Shi'i clerical network, the book finds that far from there being strategic differences between quietist and activist clerics, Shi'i mujtahid statesmen matured from 1979 in Iran to 2003 Iraq by way of a pragmatism which led to a strong form of transnational and associated whole in Lebanon in 2006. In doing so, the book breaks down the established and misleading dichotomisation of the Shi'i clergy into quietists and activists and discovers that the decision of Shi'i clerical elites to become politically active or to stay out of politics are attributable to their ability to adapt to their political environments.

Women and Politics in the Islamic Republic of Iran Sanam Vakil, 2011-04-21. Women and Politics in the Islamic Republic of Iran looks at the rise and role of female activism in Iran since the 1979 Revolution. Since 1979, women have played a decisive role in elections and assumed political posts. This study assesses this role as well as the impact of domestic and international policies on women's activism, highlighting the contradictions between politics and religion within the Islamic Republic. It also seeks to evaluate political and economic developments and the transformations in civil society, including the development of a gender-conscious society. Women and Politics in the Islamic Republic of Iran features original research by Sanam Vakil, an Iranian-American scholar who conducted interviews with women activists, politicians, journalists, clerics and students in Iran.

Europe and the U S and used primary sources to specifically links women s activism to the domestic political changes in Iran The book will be an essential resource for anyone studying Iranian politics and seeking to understand better the internal political and social dynamics in Iran and the critical role that women play **Iran and The United States** Seyed Hossein Mousavian,Shahir Shahidsaless,2014-05-22 Seyed Hossein Mousavian worked for over 30 years on diplomatic efforts between Iran and the West alongside now President Hassan Rouhani and Iranian Foreign Minister Javad Zarif serving as confidante colleague and peer Here the former diplomat tellsthe insider history of the troubled relationship between Iran and the US His unique firsthand perspective blends memoir analysis and never before seen details of the many near misses in the quest for rapprochement With so much at stake the book concludes with a roadmap for peace that both nations so desperately need *Dynamics of the Iranian Revolution* Jahangir Amuzegar,1991-01-01 Going back to the turn of the century this book offers a cogent analysis and an objective assessment of the origins and dimensions of the 1979 Iranian Revolution It reassesses the narrowly focused post revolution explanations as it traces the fate of the Pahlavi dynasty to deep rooted and structural weaknesses and contradictions in Iranian society economy and politics This critical examination leaves the reader with a deeper understanding of Iran s modern history and an appreciation for the interplay of forces currently at work within the Islamic Republic It also provides persuasive commentary on the inherent plight of other Third World countries plagued with similar legacies and pre revolutionary conditions
