The History and Culture of the Aztec Charles River Editors,2025-05-04 From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more The World s Greatest Civilizations The History and Culture of the Aztecs looks at this whole story in an attempt to portray the Aztecs as they actually were Along with pictures of Aztec art and ruins this book describes the Aztecs lives religion art cities and empire in an attempt to better understand the once dominant civilization

years the Aztecs came to dominate Mesoamerica and created an empire which looked set to continue for a very long time indeed Then the first Spanish conquistadors arrived and within less than two years the Aztec Empire had been completely destroyed This is the story of the rise and fall of the Aztec Empire Discover a plethora of topics such as Origins The Creation of Tenochtitlan Aztec Weapons and Warfare The Triple Alliance The City of Tenochtitlan The Spanish Conquest And much more So if you want a concise and informative book on the Aztec Civilization simply scroll up and click the Buy now button for instant access
