Kiplinger's Personal Finance, 2000-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics *The Hourglass Solution* Phd Jeff Johnson, 2010-05-21 Seventy five million baby boomers are finding themselves bound by habits and pursuits instigated many years ago and for a large percentage of those boomers significant aspects of their lives no longer satisfy But by joining revolutionary insight to highly proprietary prescriptive advice The Hourglass Solution provides a proactive and pragmatic way to lead a better life after 50 Johnson and Forman evaluate the life narrative through the lens of an hourglass proposing that those in early adulthood are at the top of the hourglass able to select from many options while those in middle age are in the hourglass's neck constrained by the choices they made earlier in their lives The Hourglass Solution explains how those approaching their fifties and beyond can still find a wealth of opportunity by recognizing and pursuing new directions free from the restrictions imposed by an earlier choice Like Gail Sheehy's *Passages* before it The Hourglass Solution will enlighten and inspire a generation of readers to regain control over their lives and well being A Citizen's Guide to Deficits and Debt William E. Hudson, 2014-01-03 America is currently involved in one of the worst economic crises of modern times As alarm increases over how the government will balance the budget handle the debt and maintain prosperity for the future the minutia of debts and deficits remains incomprehensible to many Why is it so hard to find ways to resolve the fiscal crisis This brief and intelligible book is a guide to understanding both the difficulties involved in managing the federal budget and why the on going fiscal crisis is so significant for America's future In order to introduce the reader to the basic composition of federal spending and to the ways that the government raises revenue Hudson begins his guide with a map clarifying how to navigate the federal budget He defines basic financial vocabulary and outlines concepts by using clear charts and diagrams that both provide basis for discussion and illustrate key points With this budget map in mind the second

part of the book lays out how the partisan divide in America helps explain the fiscal crisis Hudson analyzes the debate on the extent of the fiscal crisis the ways that political parties have tried to solve it and the political events and institutions that have surrounded the crisis This citizen s guide reveals how differing views of America inform the arguments over deficits and debt By the time readers finish the book they will understand that the conflict over deficits and debt is not simply about where to cut or add spending but instead is a struggle over national priorities and visions for the future *Am I Too Old to Save the Planet?* Lawrence MacDonald,2023-10-27 Think you ve waited too long to do something about climate change Think again *Am I Too Old to Save the Planet* A Boomer s Guide to Climate Action explains how America s most promising generation allowed climate change to become a planetary emergency and what to do about it now A former foreign correspondent and vice president of the World Resources Institute Lawrence MacDonald shares his journey to becoming a passionate climate activist Packed with practical advice his book invites fellow boomers to join the growing global movement to save the planet
