arguments of the verbs investigated and examine the interactions among them The proper treatment of verbs that systematically show multiple meanings and hence variable classification as unaccusative or unergative is also considered In the final chapter the authors argue that the distribution of locative inversion a purported unaccusative diagnostic is determined instead by discourse considerations Linguistic Inquiry Monograph No 26 *The Battling Prophet* Arthur W. Upfield, 2020-06-01 Detective Inspector Napoleon Bonaparte is on leave staying with an old friend near Adelaide Ben Wickham a meteorologist whose uncannily accurate weather forecasts had helped farmers all over Australia lived nearby Ben died after a three week drinking binge and a doctor certified death as due to delirium tremens but Bony's host insists that whatever Ben died of it wasn't alcohol This is an unusual crime story for Upfield but revealing the vast range of his interests it is one of the better ones Constable Alice McGorr returns and is at her strongest and most profane best she is extraordinary and should be appreciated as one of his major creations from *The Spirit of Australia* by Ray Browne Bony a unique figure among top flight detectives BBC *Bony and the Kelly Gang* Arthur W. When Bony Was There: A Chronology of the Life and Career of Detective Inspector Napoleon Bonaparte Kees de Hoog, 2010 Using facts and clues gleaned from the Bony stories by Arthur Upfield Kees de Hoog has compiled a chronology of the personal life events and professional assignments of Detective Inspector Napoleon Bonaparte This booklet uncovers the evidence and explains how it was pieced together to reveal the dates and other details The conclusions are presented with the findings of similar research by others into the location of each Bony novel Woven together they sketch the outline of the life career and travels of the internationally acclaimed fictional detective *Mostly French* Alistair Rolls, 2009 This book which was inspired by a conference on plural conjugations of Frenchness *La France au pluriel* held in 2007 at the Universities of Technology Sydney and Newcastle focuses on the concept of national belonging as it pertains to detective fiction with particular emphasis on French and Australian detective fictions and the encounter and crossing over between them The objective is not only to use the concepts of French and Australian detective fiction productively via the analysis of French and Australian detective fiction novels but also to challenge and undermine the very notion of national detective fictions which are so often assumed to be transparently meaningful The contributors to this volume focus variously on the following areas comparative analysis of the genesis of French and Australian detective fiction translation of Australian and other novels into French translation as a genre Frenchness as a stereotype its role in individual novels and its spectre in all detective fiction and readings of individual French and Australian detective novels Overall this book aims to challenge assumptions about French detective fiction its influence on other

national fictions and its explicit and implicit presence in all detective fiction **A Checklist of Arthur Upfield** Christopher P. Stephens, 1992 Walkabout Arthur W. Upfield, 2021-10-01 Arthur Upfield is known internationally for his crime novels featuring Bony the Aboriginal Detective In these thirteen stories written for Walkabout magazine between 1934 and 1949 and published in book form for the first time readers will travel well beyond the cities aided by maps and original photographs through Cooper's Creek visiting Lake Frome in South Australia patrol the rabbit proof fence in the West pearling in Broome or go angling for Swordfish at Bermagui Many of these stories give colour and detail to his more celebrated novels using the same settings as his crime novels Another describes the Australian Geographical Society's 5000 mile venture from Perth to the Kimberleys and back which was led by Upfield in 1948 Truly a book to remind us of the walkabout a journey originally on foot undertaken by the Australian Aboriginal in order to live in the traditional manner
