The Back Side of the Cross Diane Leclerc, Brent Peterson, 2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain

*The Principles God Respects* Rev. Prayer Kenneth Obadoni, 2014-06-25 The Principles God Respects Living by Faith is the Key to Success And without faith it is impossible to please God because anyone who comes to God must believe that he exists and that he rewards those who earnestly seek Him Hebrews 11:6 NIV Whether you are a young believer or have walked with the Lord for

years God expects you to walk in faith that is to walk according to the principles God sets forth in Hebrews 11:6. The important idea to remember here is to believe God exists and to keep Him foremost in your mind and actions. He cares for you but at the same time unless you exercise faith, trust, and confidence in Him and His Word, your Christian life will not prosper as it should. Although there are many ways you can live for the Lord and serve Him unless you perform these acts by faith, they won't count for much in your Christian life. In fact, Hebrews 11:6 spells out what God requires of us: that is to live and walk by faith. The great reformer Martin Luther discovered this truth back in 1517 when God showed him how to obtain peace with God. Luther was a Catholic monk who spent hours on his knees trying to find forgiveness for his sins. Then the Lord revealed Romans 1:17 to him: "The just shall live by faith." From that moment on, Luther knew his sins were forgiven and he had peace with God.

**God Is Plural** Paul Veliyathil, 2010-01-28. If the God who spoke to Moses on Mount Sinai 3000 years ago does not speak to Mr. Mosley in Miami Beach in 2009, we have a theological problem. This book is the result of a deep conviction that to be effective in the 21st century, a preacher must focus one eye on the Bible and the other on the mass media. This collection of 52 sermons invites the reader to awaken to a new level of consciousness about his innate identity as a spiritual being and to affirm the divinity in others. The author beautifully blends his personal stories with the stories of God and challenges you to look beyond what you see to experience God with your sixth sense: treat every place as holy ground and to love your neighbor as an extension of your own self. Thought-provoking and non-traditional, these sermons are relevant beyond the walls of churches and chapels.

**A Synopsis of Criticisms Upon Those Passages of the Old Testament** Richard Arthur Francis Barrett, 1847. **Ancient Egypt - Light Of The World, Volume 2** Gerald Massey. This is part 2 of the Gerald Massey's work about the comparisons between the Judeo-Christian religion and the Egyptian religion. No one ever understood the mythology and ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt. This book is one of the best of its kind and a must-have for every student of Egyptian mythology and history.

These easy-to-use workbooks are great for enrichment, classroom practice, tutoring, home schooling, or just for fun.

**Speculum of the Other Woman** Luce Irigaray, 1985. A radically subversive critique brings to the fore the masculine ideology implicit in psychoanalytic theory and in Western discourse. In general, woman is defined as a disadvantaged man, a male construct with no status of her own.

**Dennis Potter** John R. Cook, 1998. Anthology of key extracts in Italian, both literary and non-literary. Introduction and notes in English. Contains material which would mesh well with various standard set texts such as Pavese, Bittorini, Calvino, Vigan. A unique selection, no competing Italian edition.
