**The Bad Angel** Ernest K. Gann, 1989-01-13      The Bad Angel Brothers Paul Theroux, 2022-09-06 From the legendary American master Paul Theroux comes a brilliant new novel of chilling psychological depth the tale of a younger brother whose lifelong rivalry with his older brother a powerful lawyer with a pattern of gleefully vicious betrayals culminates in the ultimate plan murder Cal has always lived in the shadow of his manipulative and domineering brother Frank who was doted upon by their mother and beloved by the girls in their small New England hometown including Cal's own girlfriends In an attempt to escape Frank's intrusive presence Cal pursues a different kind of freedom in the world's wild spaces prospecting for gold and precious minerals everywhere from the heat of the desert at the Mexican border to the Alaskan chill to central Africa and Colombian mines where he will meet the love of his life Vida Soon he is dripping in wealth his pockets full of gold nuggets and emeralds but the money means far less to him than his independence To Frank however Cash is king As Cal's success grows so too does Frank's power and his influence in Cal's affairs the devastating threat he creates at the center of his little brother's life And ultimately when Frank decides to commit the ultimate betrayal Cal is left with only one final solution Few writers have as keen an eye for human nature as the inimitable Paul Theroux and this riveting tale of adventure betrayal and the true cost of family bonds is an unmissable new work from one of America's most distinguished and beloved novelists      The Bad Angel Ernest K. Real,2023-12-22 Shakespeare s Forgotten Allegory posits three startling points that we have today forgotten a cultural icon that helped to bring about the Renaissance that this character used to distil classical wisdom regarding how to raise children to become moral adults consistently appeared in plays performed between 1350 and 1650 and that the character was often utilised by the likes of Shakespeare and Ben Jonson and therefore adds a long forgotten allegorical narrative to their works This evidence based reappraisal of some of the most iconic works in Western literature suggests that a core element of their

content has been lost for centuries This text will appeal to anyone with an interest in late medieval and early modern drama especially the works of Shakespeare to those interested in the history of teaching and child rearing to anyone curious about the practical application of philosophy in society to anyone that would like to know more about the crucial and defining period today known as the Renaissance and how and why society was redesigned by those with influence and to all those who would like to know more about how history which though sometimes misplaced continues to influenced our modern world
