Semitism evolved into the Holocaust in Germany If any book can tell what Hitlerism was like this is it Alfred Kazin Lucy Dawidowicz's groundbreaking *The War Against the Jews* inspired waves of both acclaim and controversy upon its release in 1975 Dawidowicz argues that genocide was to the Nazis as central a war goal as conquering Europe and was made possible by a combination of political social and technological factors She explores the full history of Hitler's Final Solution from the rise of anti-Semitism to the creation of Jewish ghettos to the brutal tactics of mass murder employed by the Nazis Written with devastating detail *The War Against the Jews* is the definitive and comprehensive book on one of history's darkest chapters

A Holocaust Reader Lucy S. Dawidowicz, 1976 A collection of official and private documents traces the growth of and reveals the Jewish response to German anti-Semitism during World War II

A Wall of Two Henia Karmel-Wolfe, 2007-10-08 Ilona Karmel once wrote of the work of turning the cold old-fashioned iron key of memory These recovered poems of Ilona and her elder sister Henia open the space behind memory's door and it is on fire with defiant passion with longing with terror and the raw drive to bear witness in the one way possible to the life in death of the camps Henia writes These poems came about when I was still creating myself The two sisters here are speaking themselves and each other into existence and this essential work of claiming our humanity has rarely been so costly and so moving Allen Grossman The book is a riveting read The subject of course is very compelling and the poems move with great plainness vividness and force The girls survived though barely because they were young and strong and because the German war machine needed their bodies The book is artfully designed to convey the arc of their story from capture to freedom in 1946 and there is as far as I know nothing quite like it in the vast literature of the Holocaust A unique and moving book of historical significance rendered into English by one of our most gifted American poets Robert Hass

Daughters of Valor Jay L. Halio, Ben Siegel, 1997 The essays in this book focus on a wide and representative variety of Jewish American women writers including Cynthia Ozick Anne Roiphe Erica Jong Pauline Kael Allegra Goodman Norma Rosen Adrienne Rich Lynn Sharon Schwartz and others In every instance the contributors have tried to deal not only with the Jewish content of their work but also with its literary quality and other major themes
