Commodify Your Dissent: Salvos from The Baffler Thomas Frank, Matt Weiland, 2011-07-18 From the pages of The Baffler the most vital and perceptive new magazine of the nineties sharp satirical broadsides against the Culture Trust In the old Gilded Age the barons of business accumulated vast wealth and influence from their railroads steel mills and banks But today it is culture that stands at the heart of the American enterprise mass entertainment the economic dynamo that brings the public into the consuming fold and consolidates the power of business over the American mind For a decade The Baffler has been the invigorating voice of dissent against these developments in the grand tradition of the muckrakers and The American Mercury This collection gathers the best of its writing to explore such peculiar developments as the birth of the rebel hero as consumer in the pages of Wired and Details the ever accelerating race to market youth culture the rise of new business gurus like Tom Peters and the fad for Hobbesian corporate reengineering and the encroachment of advertising and commercial enterprise into every last nook and cranny of American life With its liberating attitude and cant free intelligence this book is a powerful polemic against the designs of the culture business on us all *The Workbook* ,1996 [AFSCME's Philadelphia Story](#) Francis Ryan, 2011-09-30 AFSCME s Philadelphia Story provides the most comprehensive account of the early years of the American Federation of State County and Municipal Employees which is one of the nation s largest and most politically powerful unions in the AFL CIO Author Francis Ryan details the emergence of the Quaker City s interracial union charting its beginnings in the political patronage system of one of the nation s most notorious political machines to the first decade of the twenty first century Ryan provides new insight into the working class origins of African American political power in the late twentieth century as well as a thorough overview of the role the municipal state played in the urban economy of one of the nation s largest cities Ryan describes the work processes and how they changed and uses workers testimonies to ground the detailed accounts of issues and negotiations Beginning in the 1920s and ending in the 2000s Ryan s study offers a long term analysis of the growth of a single union in a major American city [The San Francisco Review](#) ,1996 **When Comedy Goes Wrong** Christopher J. Gilbert, 2025-04-01 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the charades of cancel culture and ultimately to so called Alt Right comedy the transgressions improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert imagines a nuanced

sense of humor for a tumultuous world Ultimately When Comedy Goes Wrong transcends partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival *Whitaker's Books in Print* ,1998 *The Krebiozen Hoax* Matthew C.
