## **The Bah Faith:**

**An Introduction to the Baha'i Faith** Peter Smith, 2008-04-07 Peter Smith explores the history beliefs and practices of the Baha i faith     *A Tutorial on the Dispensation of Baha'u'llah* Fazel Naghdy, 2012 Shoghi Effendi stated that the first duty and the focus of sustained efforts of every faithful follower of the Bah Faith is to strive to acquire a more adequate understanding of the Revelation of Bah u ll h Although a full comprehension of such a Revelation is beyond the limits of our understanding a clearer understanding of its basic truths will empower us to derive fresh inspiration and to gain further spiritual nourishment which in turn will support and maintain our services to the Cause Shoghi Effendi The World Order of Bah u ll h p 100 Shoghi Effendi wrote The Dispensation of Bah u ll h in 1934 in the form of a letter addressed to the Bah s of the West to assist them to fulfil the obligation of deepening their understanding The letter was published together with a selection of his other letters in 1938 in the book entitled The World Order of Bah u ll h The Dispensation of Bah u ll h provides an accurate and clear description of the fundamental verities of the Bah Faith concerning the station of its Central Figures as well as the twin crowning institutions of the Guardianship and the Universal House of Justice Grasping and upholding these verities will enrich the spiritual life of the individual This tutorial is designed to assist you in studying and assimilating the content of The Dispensation of Bah u ll h It is called a tutorial to emphasize the concept underlying its development In a tutorial a tutor facilitates learning for an individual or a small group This book has been designed and developed to simulate as much as possible the tutor tutored relationship in a self paced personal study The tutorial identifies the main themes covered in Shoghi Effendi s letter and splits related paragraphs into chapters Hence the 130 paragraphs of The Dispensation of Bah u ll h are apportioned for study across 27 chapters The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein The title chosen for each chapter reflects the main theme covered in the paragraphs In addition two extra chapters address those questions that arose following the sudden passing of Shoghi Effendi and the lack of any lineal descendant to succeed him as the next Guardian The first chapter explores the possible reasons that Shoghi Effendi did not leave a will nor appoint a successor The second chapter examines the defection of Charles Mason Remey after the passing of Shoghi Effendi and his unsubstantiated claim to the Guardianship     *Bahá'í Ethics in Light of Scripture: Doctrinal fundamentals* Udo Schaefer, 2007 There is a fundamental discrepancy between man as he is and man as he could be if only he recognized his true being and purpose Ethics is the discipline by which man can understand how he can pass from the first condition to the second Udo Schaefer s Bah Ethics in Light of Scripture is an attempt to analyse the underlying structures and detect the interior architecture of the Bah moral system and is a step towards developing a Bah moral theology Doctrinal Fundamentals the first of two volumes provides a historical overview of the Bah Faith a systematic survey of its doctrines and an overview of the origin and derivation of moral values It considers the metaphysical nature of human beings and human responsibilities looks at reason and conscience and

explores liberty and its limits Schaefer's second volume deals with concrete values the virtues divine commandments and principles of social ethics from a Bah perspective      **History of the Baha'i Faith in South Carolina, A** Louis Venters,2019

The Bah Faith is increasingly acknowledged as South Carolina's second largest religion part of the social fabric of the state The earliest mentions of the distinctively interracial theologically innovative faith community in the state date back to the Civil War Black white and indigenous South Carolinians defied racial and religious prejudices to join the religion during the tumultuous civil rights era From the visit of the first Bah teacher in 1910 to the Carolinian Pentecost of the 1970s and beyond the faith has deep roots in the Palmetto State Author and Bah historian Louis Venters provides for the first time an overview of the first century of the Bah Faith in a state with one of its strongest followings      *Baha'i* Lisa Janti,2005 Presents an overview of the history and central principles of the Bahai Faith      Bahaism and Its Claims Samuel Graham Wilson,2018-04-06 Reproduction of the original Bahaism and Its Claims by Samuel Graham Wilson      The Baha'i Faith William S. Hatcher,James Douglas Martin,1990 This is a study of the history teachings administrative structure and community life of the Baha i faith the youngest and fastest growing of the world's independent religions      Commentary on the Will and Testament Of 'Abdu'l-Bahá Joel B. Marangella,2010-05-27 This Commentary by Joel B Marangella sheds light on both the text and the tragic historic events surrounding this Sacred Document of the Bah Faith The book recounts the intrigue that took place at the Bah World Center in 1957 that stifled the growth of this infant Faith threatened to permanently diminish its prestige in the eyes of the world and destroyed the very safeguard built into the Faith that was to prevent it from falling into false leadership Despite the darkness that has befallen this most recent revelation from God this brilliant Commentary reveals the truth of what remains alive and well today the true sign of God on earth who alone maintains the spirit and meaning of the Bah teachings The Will and Testament of Abdu l Bah is the vital and eternal link between Bah u ll h and the sacred Administrative Order that is the true channel of the spirit This new book by Mr Marangella clearly illuminates important passages within it that have been misunderstood overlooked or intentionally distorted The question may well be asked what is so threatening about this book that millions of Bah s around the world won't be allowed by their leadership to read it Surely all Bah s must recognize the fundamental principle of Bah u ll h the Prophet Founder of the Bah Faith to exercise their human right of an unfettered independent investigation of truth Mr Marangella's book also includes the complete Will and Testament of Abdu l Bah which can be read along with the Commentary as well as a Summary of the Bah Faith by the author recognized by Orthodox Bah s as the third Guardian of Bah Faith This Summary gives the uninitiated an authoritative treatise on the history and teachings of the Bah Faith      **The Baha'i Faith** William McElwee Miller,1974-06-01 Its History and Teaching This book is a breath of fresh air There are millions of adherents to the Bahai Faith Mr Miller provides insight and primary sources giving the reader information about the history of the Baha i Faith Where the official and authorized Baha i histories are sanitized and revised Mr Miller who lived for years in Iran and fluent in

Parsi provides access to the westerner into events occurring during the early years of this world religion The reader learns about the initial prophetic voices of the Bab and Baha u llah and the followers that founded the Bahai Faith after their deaths The author explains the transformational shifts and unbelievable history of the Baha is Why did the early writings appear to be create a society or philosophy and later suddenly the community was touted as a world religion Why are there are 7 Baha i sects Each exodus occurring when internal power struggles resulted in a few achieving greater control Why do Baha is work so hard to control their memberships contActs and reading material Why do Baha is shun those who leave considering anyone not fully supportive of the Baha i religion spiritual poison After reading this book it should be clear to the reader Due to the historical accuracy of the book s fActs and the author s position as a Protestant Missionary to an Islamic country not all readers will be satisfied Some will be offended those most likely the adherents who don t want the truth to come to light Some will be offended because the author was a Protestant Missionary Nevertheless any serious student of world religions will be grateful to have his contributions on record to the history of the Baha is
