The Bairns O Adam Story Of The Stuc Determinations S:

The Bairns O' Adam Keith Aitken,1997 Offering an account of the characters behind the movement and the great events both industrial and political which have shaped Scotland s past and present this work traces the story of the STUC from its inception **The Political Economy of Scotland** Gregor Gall,2005 In this volume the author asserts that a fusion of traditional trade union militancy and national identity creates a more radical outlook within Scotland He investigates the more militant regions of England and compares Scotland to the Welsh experience and concludes that these other areas share very similar experiences He concludes that whilst Scottish workers are no different to their counterparts in the rest of Britain the added importance of the national question provides the answer to the question as to why Scotland appears to have a more radical industrial climate **Whitaker's Books in Print** ,1998 *Black & White* ,1895 **Forthcoming Books**
Rose Army,1997-04 The Atlas ,1828
