The Banquet In Blitva Literature In Translation S:

Post-Yugoslav Literature and Film Gordana P. Crnkovic, 2014-03-27 The 1990s violence in the Former Yugoslavia the worst in Europe since World War II triggered the conversion of multi ethnic multi religious and cosmopolitan areas of idiosyncratic and independent socialism into regions of xenophobic nationalism wars and afterwards Western style democracy and capitalism Unified by their artistic response to these cataclysmic changes post Yugoslav literary works and films have much to offer the wider world Crnkovic reveals select post Yugoslav literary and cinema works as groundbreaking exploratory achievements of global relevance She presents post Yugoslav literature and film as art that makes us aware of previously unconsidered things that bring us wars and those that constitute part of the tapestry of peace She foregrounds the radical potential of art to change and enrich the global landscapes of concepts sensitivities and politics As such her book is important not only for those interested in this region but also for all those wanting to discover and engage with world literature and cinema and willing to encounter the potential of great new art to illuminate and challenge the world we live in

Out of the Siege of Sarajevo Jasna Levinger-Goy, 2022-03-18 The horrors of the civil war in Bosnia and Herzegovina in the very heart of Europe in 1992 may be all but forgotten but not by everyone In this book Jasna Levinger Goy offers a vivid personal story of a family of Jewish origin who identified as Yugoslavs It traces their journey over a period of ten years starting with their life in Sarajevo under siege and ending in the United Kingdom Without belonging to any of the warring factions this is Levinger Goy s true story a story that takes place on the front lines in the heart of Sarajevo The book offers a percipient view of the civil war through the eyes of those who witnessed it We are presented here with the motives reactions and behaviour of people caught in the crossfire of political and military events outside their control It illustrates coping with dangers and the resourcefulness needed during the siege and during the perilous journey out which were needed almost as much in adapting to new circumstances and in building a new life Levinger Goy s venture into the unknown is tangled with the sense of loss of home of a country and the loss of identity Her experience provides an insightful commentary on how these intersect overlap and ultimately affect an individual It sheds light on human suffering and resilience frailty and ingenuity cruelty and empathy It describes unique personal circumstances but illustrates universal behaviours Although the book inevitably deals with fear pain desperation loss and even hatred it also reveals much about love hope and happiness and above all about the prevalence of good even in the most difficult of circumstances Set against the backdrop of a brutal conflict this book reminds us of the very human cost of war

Annotated Books Received ,2002 [Phantoms on the Bookshelves](#) Jacques Bonnet, 2012-07-05 A charming book full of erudition and wit that explores the human impulse to accumulate books Literary Review Jacques Bonnet a lifelong accumulator of books ancient and modern lives in a house large enough to accommodate his tens of thousands of volumes as well as some overspill from the libraries of his friends While his musings on the habits of collectors from the earliest known libraries are learned amusing and instructive his advice on

cataloging may even save lives Ranging from classical Greece to contemporary Iceland from Balzac to Moby Dick and Google Phantoms on the Bookshelves is a blend of memoir history and love letter that will be a lasting delight for all who treasure books

East European Accessions Index ,1960 **After Yugoslavia** Radmila Gorup,2013-06-12 The book brings together many of the best known commentators and scholars who write about former Yugoslavia The essays focus on the post Yugoslav cultural transition and try to answer questions about what has been gained and what has been lost since the dissolution of the common country Most of the contributions can be seen as current attempts to make sense of the past and help cultures in transition as well as to report on them The volume is a mixture of personal essays and scholarly articles and that combination of genres makes the book both moving and informative Its importance is unique While many studies dwell on the causes of the demise of Yugoslavia this collection touches upon these causes but goes beyond them to identify Yugoslavia s legacy in a comprehensive way It brings topics and writers usually treated separately into fruitful dialog with one another
