Essential Empowerment Paulette Meijer, 2012-10-02 For the twenty five plus years I have been a speaker trainer coach consultant and mentor I have had the pleasure of working with people who have achieved tremendous success in their business and their personal lives In fact theyre often the same people This book evolved out of Essential Empowerment Paint Your New Life Canvas Workshops where participants closely examine their immediate life state then define refine and articulate their vision for their future Workshop exercises begin and end with life canvases personal artful expressions of current being and future being Youll see a few of those personal artful expression scattered throughout the book Those personal canvases and the aggregate exercises here and in the classroom are integral parts of the process of personal development Your first thought will be to put that

piece of the book aside until after youve read through and evaluated every chapter Dont dismiss their value Some words used to describe canvases have been insightful enlightening cathartic and even illuminating Indulge me no dont indulge me Do it for you Become a participant in the progress of your life Embrace your journey to Essential Empowerment I hope to see you at an Essential Empowerment Paint Your New Life Canvas Workshop one day In the meantime read on and paint your new life canvas

The Essential Social Worker Martin Davies,2021-12-16 The third edition of *The Essential Social Worker* has been radically revised and updated and contains an entirely new chapter providing a clear outline of the historical and policy related framework within which social work operates in areas of particular practice child care disability mental health old age and criminal justice *The Essential Social Worker* defends the idea of a broadly based profession seeking to maintain disadvantaged people in the community It bravely confronts the shallowness of many short term fashions and argues that social work is a uniquely humane contributor to the achievement of welfare in the 1990s and beyond A careful reading of *The Essential Social Worker* will ensure that the student gains an understanding of the role of social work in a complex urban society and develops an awareness of the debates which surround it Social work is often subject to public criticism but as the author shows it has continued to grow in scale and in influence throughout the 20th century and although its structure will continue to evolve social work will remain essential in any society which regards itself as democratic and humane

Environment, Social Justice, and the Media in the Age of the Anthropocene Elizabeth G. Dobbins,Luigi Manca,Maria Lucia Piga,2020-02-17 Environment Social Justice and the Media in the Age of Anthropocene addresses three imminent challenges to human society in the age of the Anthropocene The first challenge involves the survival of the species the second the breakdown of social justice and the third the inability of the media to provide global audiences with an adequate orientation about these issues The notion of the Anthropocene as a geological age shaped by human intervention implies a new understanding of the human context that influences the physical and biological sciences Human existence continues to be affected by the physical and biological reality from which it evolved but in turn it affects that reality as well This work addresses this paradox by bringing together the contributions of researchers from very different disciplines in conversation about the complex relationships between the physical biological world and the human world to offer different perspectives and solutions in establishing social and environmental justice in the age of the Anthropocene
