The Drama of Discipleship Gregory R. Perry,2022-04-21 How do Christ s followers reach across the dividing lines of our culture to offer hospitality and hope How do local congregations worship God faithfully on Sunday and bear witness to their neighbors with fitting words and deeds during the week Christ has called his people to follow the ways of his kingdom in their homes workplaces schools churches and neighborhoods The Drama of Discipleship is a resource for being and making disciples of Jesus in the everyday tasks of being human Each episode offers at least one group activity that is designed to catalyze group action on your local stage and build your congregation s practice of taking off the old ways of being human and putting on the true image of God Christ The Drama concludes with additional tools for those who lead small groups in the heartwork of discipleship as well as a neighborhood survey for those who lead congregations in the fieldwork of discipling the nations
