The Elfowl Saga The Stones Of Gralich:

The Elfowl Saga Barry Hoffman,2002-10-16 The ruling family scatters reverting to their old ways Dragging close associates with them they drain the resources of the realm in search of personal objectives Exploring distant lands they stumble upon a coastal kingdom and run headlong into formidable obstacles The only road home passes through a desperate foreign war and the malignant devices of its perpetrators

The Elfowl Saga Barry J. Hoffman,2002-10-20 The Elfowl Family rulers of Draca Maldinor must confront a challenge far beyond the resources available to them Tenuously reunited but indecisive as to what course of action to follow they must face a fierce attack from their ancient enemies This time empowered by a strangely heightened level of hatred their implacable foes have altered the historical equation by entering into an alliance with savage creatures who scarcely qualify as human

The Elfowl Saga Barry Hoffman,2002-10-16 Joshua Waters had always vicariously enjoyed the adventures of others from the comfort of his reading chair until an intriguing new neighbor asked him for a simple favor involving a family matter Unprepared both physically and psychologically Joshua is plunged into a world which resembles a medieval version of his own world a place where he believes he can safely experience just a little real adventure Dealing with a task which has been grossly misrepresented he finds himself trapped in a land where the acquisition of vital skills and powerful new friends and allies may still prove insufficient to offset the daunting challenges from both the environment and murderous enemies on all sides
