Love Online Penelope Ward ,2018-08-27 From New York Times bestselling author Penelope Ward comes a new sexy standalone novel We met in the least likely of places It started out innocently enough I was ScreenGod and she was Montana but of course those weren't our actual names just the virtual cloaks we hid behind Logging in at night and talking to her was my escape my sanctuary Her real name was Eden I'd soon come to find out From the first time we connected online I found myself transfixed She was an addiction At first we knew nothing about each other's real identities and she was adamant that we keep things that way Anonymity had no effect on our unstoppable chemistry though If anything it allowed us to open up even more in ways we may not have otherwise Eden was funny intelligent gorgeous everything I'd ever wanted in a woman But I couldn't really have her I had accepted things would have to stay the way they were until the day I found a clue that led me straight to her So I took a chance And that was when our love story really began *The Tales of Aylfenhame*

**Skeletons** David Stout,2011-11-15 Edgar Award winner Based on true events a chilling tale of murder and injustice in the Jim Crow South As a fourteen year old black boy living in 1940s South Carolina Linus Bragg should know better than to follow the two bicycling white girls But something about Sue Ellen and Cindy Lou compels him Maybe it s the way Cindy Lou speaks to him or how Sue Ellen sits on her bike Whatever the reason he follows the girls into the woods It s the worst mistake he ever makes When he comes into the clearing both girls are dead and young Linus is the natural suspect Forty years later a nephew of Linus s returns to South Carolina curious about this dark moment in his family s past To find the

fourth person who visited the clearing that day means reopening a sinister chapter of the small town's history which certain evil men had thought closed forever Carolina Skeletons is based on the 1944 case of George Stinney Jr who at the age of fourteen became the youngest person executed in the United States during the twentieth century After a hastily scheduled hearing only a few hours long the jury quickly charged him with a double murder He was put to death three months later A haunting journey into America's shameful past Carolina Skeletons deftly explores how history's skeletons rarely stay hidden forever
