The Emergence of the Irish Peasant Play at the Abbey Theatre Brenna Katz Clarke, 1982 **The Abbey Theatre** E. H. Mikhail, 1988-01-01 The present work is a composite biography that provides a forum to most of those who have been associated with the Abbey Theatre from the beginning to the present time actresses actors playwrights men of letters producers directors stage carpenters house electricians and supporters of the theatre It is hoped that the method used in this book will give a different impression from that of previous histories of the Theatre and on balance probably a truer one

Shakespeare and Twentieth-Century Irish Drama Rebecca Steinberger, 2017-11-28 Exploring the influence of Shakespeare on drama in Ireland the author examines works by two representative playwrights Sean O Casey 1880 1964 and Brian Friel 1929 Shakespeare's plays grounded in history nationalism and imperialism are resurrected rewritten and reinscribed in twentieth century Irish drama while Irish plays in turn historicize the Subject Object relationship of England and Ireland In particular the author argues Irish dramatists appropriations of Shakespeare were both a reaction to the language of domination and a means to support their revision of the Irish as Subject This study reveals that Shakespeare's plays embody an empathy for the Irish Other As she investigates Shakespeare's commiseration with marginalized peoples and the anticolonial underpinnings in his texts the author situates Shakespeare between the English discourse that claims him and the Irish discourse that assimilates him *The Oxford Handbook of Modern Irish Theatre* Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right *Lady Gregory and Irish National Theatre* Eglantina Remport, 2018-04-26 This book is the first comprehensive critical assessment of the aesthetic and social ideals of Lady Augusta Gregory founder patron director and dramatist of the Abbey Theatre in Dublin It elaborates on her distinctive vision of the social role of a National
