The Last Days of a King Moritz Hartmann, 1867 **The Last Days of the Romanovs** George Gustav Telberg, 2011-01-01 Our stay in Tobolsk was altogether very agreeable I did not see anything very objectionable in the conditions of our life Certainly there were some disadvantages as compared to what it had previously been there were lots of trifles that created friction but one could get used to them We all used to work very hard The empress was teaching theology to the children all the children took lessons except Olga Nicholaevna who had completed her course of studies in 1914 She also taught a little German to Tatiana Nicholaevna The emperor personally gave lessons in history to the czarevitch Klavdia Michaelovna Bitner was giving instruction in mathematics and the Russian language to the Grand Duchesses Maria Anastasia and the czarevitch Hendrikova gave lessons in history to Tatiana Nicholaevna I was instructor in English The lessons started at nine a m and continued up to eleven o clock From eleven till twelve o clock the children were free to take a walk Studies were resumed at twelve and continued for an hour At one p m lunch was served and after that coffee was drunk According to the doctor s advice the czarevitch had to rest a little on the sofa after lunch During his rest Gilliard or myself used to read to him aloud After that Nagorny dressed the czarevitch and we went out for a walk till about four or five o clock After we returned the emperor gave a lesson in history to the czarevitch After the lesson the czarevitch liked very much to play a game called The slower you ride the farther you go We divided into two parties The czarevitch Gilliard or myself were one party Dolgoruky and Schneider the other The czarevitch used to be extremely fond of that game

Schneider also used to put her heart into the game and fussed a little with Dolgoruky over it This was quite funny We played the game nearly every day and Schneider always used to say that she would never play the game again From six to seven p m the czarevitch took lessons with me or with Gilliard From seven to eight p m he prepared his lessons for the next day Dinner was served at eight p m After dinner the family assembled upstairs Sometimes we played cards I played double patience with Schneider Tatischeff Olga Nicholaevna Botkin Schneider Gilliard and Dolgoruky played bridge The children and the emperor occasionally played b zique At times the emperor read aloud Sometimes the Grand Duchesses Olga Maria and Anastasia would go up to Demidova s room where Toutelberg Ersberg and Tegleva had their meals Occasionally Gilliard Dolgoruky the czarevitch or myself used to accompany them We stayed some time in this room and had plenty of jokes and laughter The emperor got up early At nine a m he always had tea in his workroom and read till eleven a m He then had a walk in the garden and during the walk always took some physical exercise In Tobolsk he frequently used to saw logs With some assistance the emperor built up a platform on the roof of the orangery A staircase which was constructed by our combined efforts led to the platform The emperor liked very much to sit on this platform when the weather was stormy Up till noon the emperor took his exercises after which he always used to go to his daughters room where sandwiches were served Later he retired to his quarters and worked till lunch time After lunch the emperor took a walk or worked in the garden till dusk At five p m the family had tea after which the emperor used to read till supper time

Preaching in the Last Days Rodney L. Petersen, 1993-06-24 Visionary strength was given to the piety polity and political activity of Protestantism in its formative periods through the way in which the Apocalypse was read By identifying with the text depicting two witnesses or prophets who preach at the end of history are slain by the beast from the abyss understood to be Antichrist and rise again victoriously representatives of the Protestant movement found a measure of self-identity This text Revelation 11:3-13 became the lens through which many envisioned the movement of history from the first advent of Christ to his promised return It was used by earlier reform movements but it lent special definition to the work of Protestant ministers through the nineteenth century suggesting different approaches to social organization Preaching in the Last Days is a study in the history of how the Apocalypse was read It is also an examination of how social groups are formed through ideas occasioned by texts It offers an account of the interplay between religious and social history during the time of the development of Protestantism Petersen's study provides a fascinating look at the theological significance of how we read biblical texts and the insights this offers on the development of culture the Christian movement and its churches The book is especially important for understanding the assumptions behind the ways in which the book of Revelation is being read and used in our own day
