The Employed Mother In America:

The Employed Mother in America Francis Ivan Nye, Lois Wladis Hoffman, 1963 *The Employed Mother in America* Francis Ivan Nye, Lois Norma Wladis Hoffman, Lois Wladis Hoffman, *The Employed Mother in America* Francis Ivan Nye, 1976-05-28 This study explores whether maternal employment leads to emotional maladjustment of children and disruption of traditional marriage patterns *The Employed Mother in America* Francis Ivan Nye, 1976 **The employed mother in America, by F.I. Nye** Francis Ivan Nye, Wladis Hoffmann, Lois Norma Wladis, *Family Issues of Employed Women in Europe and America* Michel, 2022-08-15 *Working Mother*, 2000-11 The magazine that helps career moms balance their personal and professional lives *Working Mother*, 2000-10 The magazine that helps career moms balance their personal and professional lives *Who Cares for America's Children?* National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Child Care Policy, 1990-02-01 Few issues have aroused more heated public debate than that of day care for children of working parents Who should be responsible for providing child care government employers schools communities What types of care are best This volume explores the critical need for a more coherent policy on child care and offers recommendations for the actions needed to develop such a policy Who Cares for America's Children looks at the barriers to developing a national child care policy evaluates the factors in child care that are most important to children's development and examines ways of protecting children's physical well being and fostering their development in child care settings It also describes the patchwork quilt of child care services currently in use in America and the diversity of support programs available such as referral services Child care providers whether government employers commercial for profit or not for profit child care specialists policymakers researchers and concerned parents will find this comprehensive volume an invaluable resource on child care in America **Working Mother**, 2002-12 The magazine that helps career moms balance their personal and professional lives *Working Mother*, 2001-08 The magazine that helps career moms balance their personal and professional lives **Working Mother**, 2004-10 The magazine that helps career moms balance their personal and professional lives **The Dynamics of Modern Society** William Goode, 2017-09-05 Social research efforts are often more concerned with basic social processes or patterns than with the dynamic relationship between social processes and social institutions In this classic collection contributors posit generalizations drawn from contemporary sociology Their analyses go beyond elementary principles they interpret them qualify them or state them more precisely Each of the contributors focuses on the modern American social structure and they are either explicitly comparative or have made observations that clearly are meant to apply to many countries This volume both embodies and draws attention to newer developments in sociology Like most steps forward in an advancing science this orientation does not reject the older knowledge accumulated during earlier generations but incorporates and expands upon it The differences are in emphasis rather than any denial of the main body of accepted

theory On the other hand the collection may be said to represent a response to the many criticisms by humanists and sociologists alike of the mainstream of contemporary sociology as it existed at the time of original publication in the late 1960s Inquiries into social changes like sociological studies of historical phenomena may be viewed as modes of a comparative sociology They permit us to test more fully sociological generalizations The emphasis in this volume on historical and comparative studies and on social change parallels the growing attention of sociology to these problems During the 1960s social science turned from a nearly exclusive preoccupation with middle class populations to a concern with social relations in other societies past as well as present In addition to enriching our knowledge this broader view has increased both the precision and generalizing power of sociological principles

Working Mother ,2002-10 The magazine that helps career moms balance their personal and professional lives

Indicators of Trends in the Status of American Women Abbott Lamoyne Ferriss,1971-06-10 Assembles collates and analyzes data bearing on trends in American education The author presents the basic data on school enrollment retention and attainment indicating changes in the educational characteristics of the population and comparable time series statistics on teachers and school finances reflecting change within the school system itself Dr Ferriss then relates these data to a statement of educational goals set some ten years ago utilizing the data to provide an assessment of progress toward those goals
