The Empty:

The Empty Boat Osho, 2011-04-12 Talks on the Stories of Chuang Tzu OSHO revitalises the 300 year old Taoist message of self realization through the stories of the Chinese mystic Chuang Tzu He speaks about the state of egolessness the empty boat spontaneity dreams and wholeness living life choicelessly and meeting death with the same equanimity Available in a beautiful new edition this series overflows with the wisdom of one who has realized the state of egolessness himself **The Empty Church** Shannon Craigo-Snell, 2016-08 Why go to church What happens in church and why does it matter The Empty Church presents fresh answers to these questions by creating an interdisciplinary conversation among performance studies theater directors and Christian theologians The result is a compelling depiction of church as a performative relationship with Jesus Christ mediated by Scripture in hope of the Holy Spirit **The Empty Nest** Karen Stabiner, 2016-02-02 A heartwarming wry and often surprising collection of essays about the next rite of passage for Baby Boomers what happens when the kids leave home As the baby boom generation ages the oldest are now turning sixty many of them are learning to deal with a whole new way of life after the last child has finally moved out and they are once again alone It s the same milestone their own parents faced but as with so many other markers this generation approaches it in a whole new way In this fascinating collection journalist Karen Stabiner has assembled essays from thirty one writers about their own experience with the empty nest Parents whose children left home last week join those with grandchildren to explore how life changes once the offspring leave unless of course they move back in again later They represent the full range of experience from traditional nuclear families to single parents to gay parents to grandparents with humor grace and poignancy The Empty Tomb Robert M. Price, 2009-09-25 Did Jesus rise from the dead Although 19th and early 20th century biblical scholarship dismissed the resurrection narratives as late legendary accounts Christian apologists in the late 20th century revived historical apologetics for the resurrection of Jesus with increasingly sophisticated arguments A few critics have directly addressed some of the new arguments but their response has been largely muted The Empty Tomb scrutinizes the claims of leading Christian apologists and critiques their view of the resurrection as the best historical explanation The contributors include New Testament scholars philosophers historians and leading nontheists They focus on the key questions relevant to assessing the historicity of the resurrection What did the authors of the New Testament mean when they said Jesus rose from the dead What historical evidence is needed to establish the resurrection If there is a God why would He resurrect Jesus Was there an empty tomb What should we make of the appearance stories Apart from historical evidence is belief in the resurrection justified The Empty Tomb provides a sober objective response to arguments offered in defense of Christianity s central claim *The Empty Man* Cullen Bunn, 2015-09-30 It s been one year since the first reported case of the Empty Man disease and no drug has been able to slow its progress The cause is unknown and the symptoms include fits of rage hideous hallucinations suicidal dementia followed by death or a near lifeless empty state of catatonia As murder cults rise nationwide
