The Encyclopedia of Science Fiction and Fantasy ,1978 Provides annotated bibliographies of each author s works     The Encyclopedia of Science Fiction and Fantasy Through 1968 ,1974     The Encyclopedia of Science Fiction and Fantasy Through 1968: Who's who, A-L ,1974     **The Encyclopedia of Science Fiction and Fantasy Through 1968** ,1974

**The Encyclopedia of Science Fiction and Fantasy** ,1978     *The Encyclopedia of Science Fiction and Fantasy* Donald H. Tuck,1982     The Encyclopedia of Science Fiction and Fantasy Through 1968: Who's who, A-L ,1974 This massively comprehensive work of science fiction and fantasy bibliography is already a library standard It consists of an alphabetical listing of hundreds of authors anthologists editors artists etc with biographical sketches where available and compilations of their science fiction and fantasy works The contents of most collections and anthologies are listed In most cases the entries include bibliographic data for all known English language editions and forms as well as some foreign translations Each author s entry also includes listings of books and short stories which form connected series such as Robert Heinlein s famous Future History Large 8 1 2 x 11 inch pages in two columns of small print     **The Encyclopedia of Science Fiction and Fantasy Through 1968: Miscellaneous** ,1974 Includes checklists of magazines with history reviews and notable fiction paperbacks listed by author publisher and title pseudonyms series and connected stories and general entries such as lists of Hugo winners Dr Who programs book club selections Star Trek programs noteworthy films and certain fanzines This volume took the Hugo award for Best Non Fiction at the 1984 World Science Fiction Convention we like to think that the Hugo was really earned by the three volume set as a whole     The Encyclopedia of Science Fiction and Fantasy Through 1968 ,1974

**The A to Z of Fantasy Literature** Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites     **Historical Dictionary of Science Fiction**

**Literature** Brian Stableford, 2004-04-19 This reference tracks the development of speculative fiction influenced by the advancement of science and the idea of progress from the eighteenth century to the present day The major authors and publications of the genre and significant subgenres are covered Additionally there are entries on fields of science and technology which have been particularly prolific in provoking such speculation The list of acronyms and abbreviations the chronology covering the literature from the 1700s through the present the introductory essay and the dictionary entries provide science fiction novices and enthusiasts as well as serious writers and critics with a wonderful foundation for understanding the realm of science fiction literature The extensive bibliography that includes books journals fanzines and websites demonstrates that science fiction literature commands a massive following      **Encyclopedia of American Humorists** Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature      Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature      **Science Fiction and Fantasy Literature** R.
