**The Lost Soul** Kayla F. Smith, 2022-11-29 No thank you I am fine I can take care of myself She nodded her head and exited the room The truth is I do not need anyone judging me for what I went through To have someone know everything that Kieran did to me Just so they can say that it will get better in time and that I will find someone who will treat me right Kieran might have abused me but he might be the only one I will ever love When I met him I thought he would be the person I would spend the rest of my life with thinking I had the love that my parents have because that's all I ever wanted I got so mad at God when the abuse started that I stopped believing in everything It felt like my soul is shattered into a million pieces I don't understand why me being abused by someone I love is a part of his plan Sometimes I feel like it would have been easier if I knew what his plan was for me

**Lost Soul** Les Rolston, 2017-03-20 Sam Postlethwaite was a Confederate soldier buried in an unmarked grave in Rhode Island Beginning with nothing more than a handful of dirt author Les Rolston's innocent curiosity about this mysterious soldier's grave became a journey of thousands of miles that eventually led him to the soldier's family The result is this factual account of Postlethwaite's odyssey and the author's determined efforts to learn his story Other important facets of this affecting historical account are the experiences of Postlethwaite's fourteen year old brother who found glory with Stonewall Jackson in the Shenandoah Valley and a boy from a prominent Rhode Island family who was emotionally ruined by the Civil War Both their families embittered by war were destined to merge through a Civil War romance and marriage This book is a tribute to all of the people Northerners and Southerners who joined together to choose forgiveness and understanding over bitterness and hatred

at her coldly and said Nice girls don't act like that never talk about this again She must not be a nice girl because it was happening to her now she knew she had no one to help her No one As she grew up this terrible secret was making her sick She tried anything to get rid of this inside pain and still look normal outside As she grew it took her down a dark spiral staircase into a world of sex drugs alcohol to numb the pain in her mind and heart which were growing darker and harder by the moment Her life was raw in your face She tells it as she lived it The pain will follow us through life if we don't face it deal with it She found hope on her quest to live a normal life Take this journey with her see there is hope for you as well The Kingdom of Death: Geography of the Lost Soul Ari El Luzi, 2025-07-17 There is a place that does not belong to visible geography but that insists on being present in the souls of men An ancient silent and dark kingdom that rests not beneath the earth but within men It is the kingdom of death not physical death but the death of essence the rupture with what we call I am Where human nature is conditioned to rest in a deep sleep In Greek mythology this territory is symbolized by powerful dark and forgotten figures Nyx the primordial Night and her offspring Thanatos Eris Moros Hypnos Nemesis and so many others who represent the forces of inner chaos They are not just characters from a distant myth but symbolic expressions of states of the soul archetypes that inhabit us in times of disorientation pain and rupture And these in a generalized way find their place when humankind abandons its essence and allows the external collective to devour its humanity We live in an era in which many walk like specters far from their own inner truth We forget who we are lose touch with our essence and begin to inhabit even in life this symbolic underworld this region of fog and silence where the soul lies disintegrated In a morbid environment where we fall into a deep slumber And although physically alive we are dead and inhabiting the depths of ignorance This book is an invitation to this journey A journey of descent and understanding of what it truly means to be dead inside We will explore the underworld not as an end but perhaps as part of the soul's natural cycle a cycle that if understood can become a path of return Unfortunately few return because they cannot find their way back With myths as lanterns and symbolic language as a map we descend to the far reaches of the kingdom of death to understand its inhabitants its laws its traps and who knows perhaps find there a seed of rebirth Because to find true life and live fully one must die And to find the light again one must first cross the night of ignorance Also descend in order to ascend **Lost Soul** Kelly Louis, Hannah was a troubled soul her past horrors have molded her into a sad melancholic girl She has been through a lot of painful stuff that she decided to end her life As she lay down a bathtub filled with her blood she did not realize that her death was just the beginning of her journey A series of mysterious occurrences take place after her death It all starts with her step brother Matthew's discovery of a letter from Hannah Her vengeful spirit seems to live on to haunt those who have wronged her Devon the love of her life Cassidy her best friend who betrayed her her mother Lucy who bore Hannah with her affair with Garret and Brandon Johnson her dad who has kept a dark secret involving Hannah One by one page by page of each letter the truth unfolds and her hauntings may not be the real horror in this story This is not just a horror story but a twisted love

story that transcends life and death     the lost souls dibyendu ghosal,     **Lost Souls** Penny de Byl, 2014-06-10  
QUEENSLAND Australia Author Penny de Byl shares a thrilling story that combines the mystery of a crime and police procedural with science fiction Lost Souls follows humankind's fledgling endeavors to colonize space but unfolds into the near future where science looks to religious tenets and beliefs when unethical medical practices lead to a series of baffling deaths The story unfolds along two parallel narratives The first tracks a police team investigating a series of bizarre deaths in which people are dropping dead with no apparent explanation The second focuses on a group of researchers based in Antarctica working toward developing technologies that will one day assist mankind to colonize space These two worlds collide when the detectives and scientists become reliant on what is understood of religion and spirituality to solve the cases of mysterious deaths With contemporary science and technological fact woven into the story de Byl treats readers to an engaging journey of issues and solutions that seek to take humankind beyond earth Intriguing Lost Souls builds a fascination for the science and technology that is shaping the world and the collective efforts that will be required of all nations to see humanity populate the cosmos In a future dependent on both old and new practices this original novel demonstrates there will always be a place for both science and spirituality in our culture
